1. Requires the HP Smart app download. For details on local printing requirements, see hp.com/go/mobileprinting.
2. Either after first page or after first set of ISO test pages. For details, see hp.com/go/printerclaims.
3. Upon purchase, your printer comes with a $120 prepaid value card that will be added to your account ($144 in Canada). This will cover 24 months of service on a monthly $4.99 for 100 pages Instant Ink plan ($5.99 in Canada). Other plans are available that may shorten or lengthen your offer period. After you have successfully registered your printer and created your HP Connected Account and Service Account, you must redeem your offer and select an Instant Ink printing plan. The Service begins when the offer is redeemed. Must redeem your prepaid value card within 6 months from printer set up or it will be void. Rollover allows unused pages in a month to be placed in a rollover account and then applied to pages in excess of your monthly allowance. The rollover account balance is limited to a maximum of twice the pages available in your plan. The ink balance will be decremented for any overage fees, resulting in less months of printing. Receiving your ink cartridges requires Internet connection to eligible HP, email address, and delivery service in your geographic area. Printers require direct connection to the Internet for program participation. For details, see hpinstantink.com.
4. Local printing requires mobile device and printer be on the same network or have a direct wireless connection. Remote printing requires an Internet connection to an HP web-connected printer. For details on how to print, including whether an app is required, see hp.com/go/mobileprinting.
5. Wireless operations are compatible with 2.4 GHz and 5.0 GHz operations only. Learn more at hp.com/go/mobileprinting. Wi-Fi is a registered trademark of Wi-Fi Alliance®
6. Compared to the majority of competing in-class consumer color desktop inkjet all-in-ones <$299 USD. Keypoint Intelligence - Buyers Lab 2018 research study commissioned by HP based on research survey of printer manufacturers' published specifications, sustainability reports, and press releases as of 12/15/2018 and not confirmed by lab testing. Market share as reported by IDC CYQ3 2018 Hardcopy Peripherals Tracker, 2018Q3 Release. AiO with best in-class security features based on review of published embedded security features of competitive in-class models and defined as offering business-class, multipoint security, including but not limited to: encryption at the level of data, device, network, document; enterprise-class Wi-Fi security; and secure printing. For more details, see keypointintelligence.com/HPOfficeJetPro.
7. Measured using ISO/IEC 24734, excludes first set of test documents. For more information, see http://www.hp.com/go/printerclaims. Exact speed varies depending on the system configuration, host OS, port monitor, software application, driver, and document complexity.

1. Mobile device needs to be connected directly to the Wi-Fi Direct® signal of a Wi-Fi Direct-supported AiO or printer prior to printing. Depending on mobile device, an app or driver may also be required. For details, see hp.com/go/mobileprinting. Wi-Fi Direct® is a registered trademark of Wi-Fi Alliance®.
2. Mobile device needs to support Bluetooth v4.0+ and be enabled. A mobile app such as HP ePrint or HP AiO Remote must be installed and opened for printing. Mobile device must be within 5 feet of the printer. For details, see hp.com/go/bleprinting. Bluetooth is a trademark owned by its proprietor and used by HP under license.
3. Power consumption varies with print job, the use of wireless connectivity and the charging of battery. Values given are nominal.

1. Scan speed measured at 300 dpi (black-and-white, grayscale, and color). Actual processing speeds may vary depending on scan resolution, network conditions, computer performance, and application software.
2. Scanning from a Smartphone or tablet requires the HP ScanJet Wireless Adaptor 100 (L2761A), which must be purchased separately, and the HP JetAdvantage Capture App. Download the app at hp.com/go/documentmanagement. Wireless performance is dependent on physical environment and distance from access point, and may be limited during active VPN connections. Wi-Fi Direct® scanning requires the Smartphone or tablet to be connected directly to the Wi-Fi® network of the scanner. Wi-Fi and Wi-Fi Direct are registered trademarks of Wi-Fi Alliance®.

A For Inkjet Printers: Either after first page or first set of ISO test pages. For LaserJet Printers: Measured using ISO/IEC 24734, excludes first set of test documents. Exact speed varies depending on the system configuration, software application, driver, and document complexity.
B Maximum dpi that can be scanned is limited by available computer memory, disk space and other systems factors. Scan speeds measured at 200 dpi (black-and-white, color, and grayscale) using A4 sized paper in portrait mode.
C Estimated U.S. street price. Actual prices may vary. Contact your authorized HP reseller for the most current pricing information.
D Copy speeds may vary depending on the type of document.
E HP recommends that the number of printed pages per month be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period.
F Service levels and response times for Care Pack part of HP Care, may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply.
