Boise® ASPEN® 30 is a 30% post-consumer fiber paper that carries the same functionality as a non-recycled sheet. This highly versatile recycled office paper is formulated for everyday use in high-speed copiers, printers and fax machines.

- Same hardworking characteristics as a non-recycled sheet
- Everyday documents have a consistent look and feel
- Formulated for excellent runnability, resulting in faster printing and less downtime
- Ideal for businesses with high-volume print needs
- Made in the USA
- SFI Certified Sourcing

*Boise ASPEN will perform jam-free in your high-speed digital equipment at least 99.99% of the time. If our paper causes more than one jam in 10,000 sheets in your high-speed digital equipment, Boise will offer you a refund up to the total purchase price of the paper involved or replace that paper.
