OVER 13,000 ITEMS IN STOCK, READY TO SHIP!

In 2008, we had an order fill rate that averaged 99.47 percent — meaning we had what you needed in stock, ready to go, virtually all of the time. Order away!

SmartPartners save with FREE next business day delivery on orders \$50 and up.

You get free next business day delivery on orders over \$50 (excluding furniture and a few other items — see our “fine print” below to see what applies).

With a little advance planning, you might never have to pay for shipping again!

Need a little something, fast? For orders under \$50, SmartPartners pay only \$4.95.

For those occasional orders under \$50 that you need next business day, we've reduced the delivery fee for SmartPartners from \$9.95 to \$4.95. So you can get what you need without busting your budget.

What does “next business day delivery” mean?

- ORDER BY 5:00 pm (your time) online or by phone
 - ORDER BY 3:00 pm (your time) by fax
- and your qualifying order will be delivered the next business day (8:30 am – 5:00 pm your time, M-F).

Unfortunately, next business day delivery isn't possible in some places. Check with your account manager to see what applies in your area.

87.SMART.OD1 (877.627.8631)

99.94% ON TIME DELIVERY!

In 2008, we had an on-time delivery rate of 99.94 percent. We do our best to get you what you need, on time, all the time.

And please don't forget your carbon footprint.

A carbon footprint is the amount of carbon dioxide and other greenhouse gases emitted over the life cycle of a product or service. The more deliveries you ask for, the more CO2 we both emit into the air.

By consolidating your orders as often as possible, you'll cut down on your paperwork. But more importantly, you'll be doing the environment a favor. Fewer truckloads mean less CO2 in the air and a smaller carbon footprint.

The fine print: we can't move giant stuff quickly.

Most furniture, some technology products, oversized items and special orders are excluded from free delivery and next business day delivery. Ask your account manager for details.

Your very own support team: your SmartPartners account manager

As a SmartPartner, you get a dedicated account manager — someone you'll know by name, someone who understands the challenges facing your organization, someone who's here to help you succeed, with smart products at the right price.

Enjoy your SmartPartners Rewards™ discounts in-store.

Most of the time, you probably like to have your orders delivered. But every so often, you may need to go to an Office Depot® retail store. That's why we offer the Office Depot Store Purchasing Card. It means you get the same deals in-store as you would online, by phone or by fax.

MORE OPTIONS AT THE COUNTER.

Your Office Depot Store Purchasing Card isn't a credit card. It does reflect your SmartPartners Rewards discount pricing, your payment options and other relevant account information.

Depending on the options your company selects, you can:

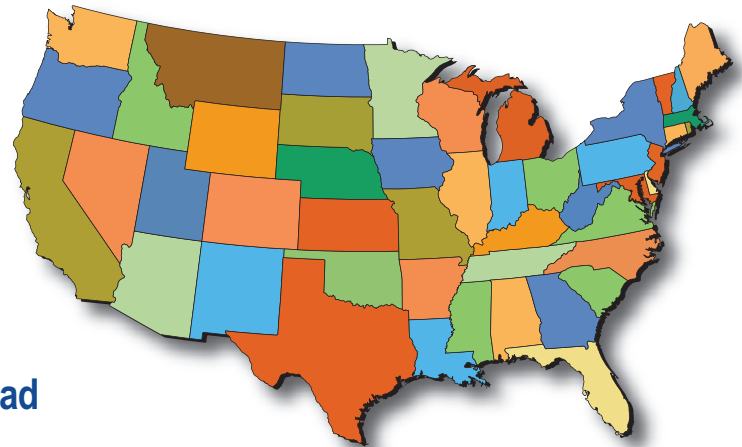

- Pay at the register with cash, check or credit card.
- Or use your Store Purchasing Card to "put it on your tab" and pay later, if you opted for account billing.

Do I really need a Store Purchasing Card?

If you have all of your orders delivered, you may think that you don't need a Store Purchasing Card.

But you might be surprised at how convenient it is to have one, especially when something pops up at the last minute. It's nice to be able to run into any Office Depot retail store in the country and pull out your Store Purchasing Card, knowing that all of your SmartPartners Rewards discounts will automatically be applied.

WANT A CARD? TALK TO YOUR ACCOUNT MANAGER.

You'll find an application form for a Store Purchasing Card in this packet. Your account manager can give you more details about the program and help you register for the card.

If you decide you want a Store Purchasing Card later and you can't find the application, call your account manager or the SmartPartners hotline at 87.SMART.OD1 (877.627.8631). We'll email or fax you an application, or your account manager will bring it by.

Hit the road and save.

We have over 1,000 Office Depot retail stores around the country. If you're on the road and you need something fast, relax. Your contract pricing goes everywhere you and your Store Purchasing Card go.

And you'll always get the lower price.

When the cashier swipes your Store Purchasing Card, your SmartPartners Rewards account pricing is automatically in effect. But if the price in the store is lower, that's the price you'll get.

There's a saying, "Mind the pennies and the dollars look after themselves." It's a smart mindset, one that works for organizations of all sizes. And it's why we offer flexible payment options — to help you succeed.

"Put it on my tab." Account Billing

Managing your cash flow is critical, and Account Billing is a great way to do it. If your organization qualifies, Account Billing means that you can run a tab and pay every 30 days.

Whether you order online, by phone, by fax, or in-store (using your Store Purchasing Card), the charges will automatically be posted to your Office Depot® account.

"Let's link my card to my account." Procurement Card

You can link your personal or business credit card to your account, turning it into a Procurement Card for Office Depot. When you pay with this card, you get your contract pricing, whether you're shopping online, by phone, by fax, or in-store.

If you'd like to turn your credit card into a Procurement Card, talk to your account manager. We'll help you get set up.

"I'd rather just charge as I go, thanks." Major Credit Cards

We accept MasterCard®, Visa®, American Express®, and the Discover® card, so if you prefer, you can charge as you go.

"We prefer to use company checks." Checks

You're welcome to pay by business or personal check in any Office Depot retail store, or when you're settling your Account Billing account at the end of your 30-day pay period.

"I'm old-fashioned. I pay in cash." Cash

You can always pay by cash when you're in an Office Depot retail store.
