Enjoy Online Convenience

The [Copy & Print Depot's™ website](https://business.officedepot.com/cpd) combines a world of convenience into one straightforward resource. Save projects, employee handbooks, letterhead designs and forms with us online for easy-access storage and handy reprints when you need more copies. Order or reorder virtually any printed item directly from business.officedepot.com/cpd, and have it shipped directly to you, or you can pick it up at your local Office Depot® store. Copy & Print Depot™ can also preprint stock forms and oft-needed materials, so they're shipped to you on schedule.

Print Your Workflow

When you're ready to do some major printing, let Copy & Print Depot™ help create tabbed documents, print long or double-sided color output and add bindings to multiple-page publications. Copy & Print Depot™ can set you up with customized brochures, employee handbooks, specialized forms and all the high-quality hard copies you need. Rather than invest in new equipment to print an occasional super-sized presentation, let Copy & Print Depot™ put advanced output and finishing equipment at your service when you need it. When you're on the road, Copy & Print Depot™ can ship your materials to a meeting site or refill your supplies through a network of over 1,000 Office Depot stores that offer printing services.

Present Your Business Identity

Choose from ready-to-print designs or submit original artwork for business cards, letterhead and more. Copy & Print Depot's™ value options make full-color identity materials accessible to any budget. With custom options, add QR codes and even create two-sided cards that present rates or appointment reminders. Miniature card options display your contact information in a compact format. You also can set up or upload custom designs for matching letterhead and envelopes. Plus, count on

Copy & Print Depot™ for customized checks and forms to keep your identity cohesive across all the materials you use and customer points of contact. If you need company greeting or holiday cards, postcards or other special seasonal materials, Copy & Print Depot™ has you covered there, too.

Merchandise Your Brand

Trade shows and business expos expand your client base beyond your home base. At the same time, local outings provide access to a broader hometown market. Put your company name in front of prospects with promotional merchandise from Copy & Print Depot™. Custom-printed shirts give your team a unified, professional look when you attend or sponsor casual events. Cups and mugs make great giveaways. Choose customized desk accessories as gifts for new or high-profile clients. Add your logo, tagline and contact information to thumb drives and pens that remind potential customers of your services every time they use them.

Go Big With Your Image

Output size makes some printing needs exceed your in-house capacities. From banners to posters announcing special promotions and events, Copy & Print Depot™ can handle all your large-format requirements. This includes complex jobs that use special materials such as trade show booths, signs and vehicle graphics.
