Materials:

**1 pack yellow Post-it® Super
Sticky Notes, brown paper,
black marker**

Grade Level:

1st – 8th

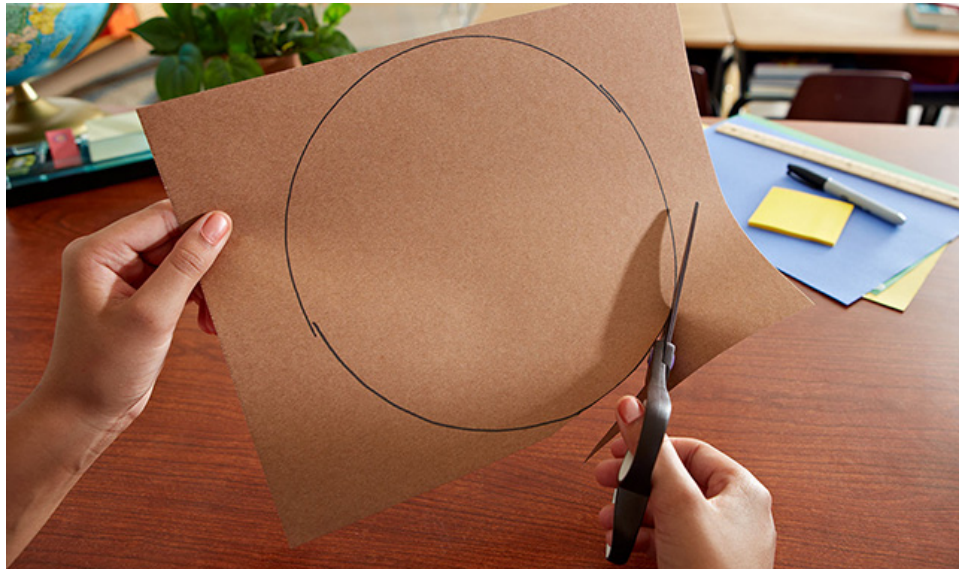

Estimated Time:

10 – 20 min

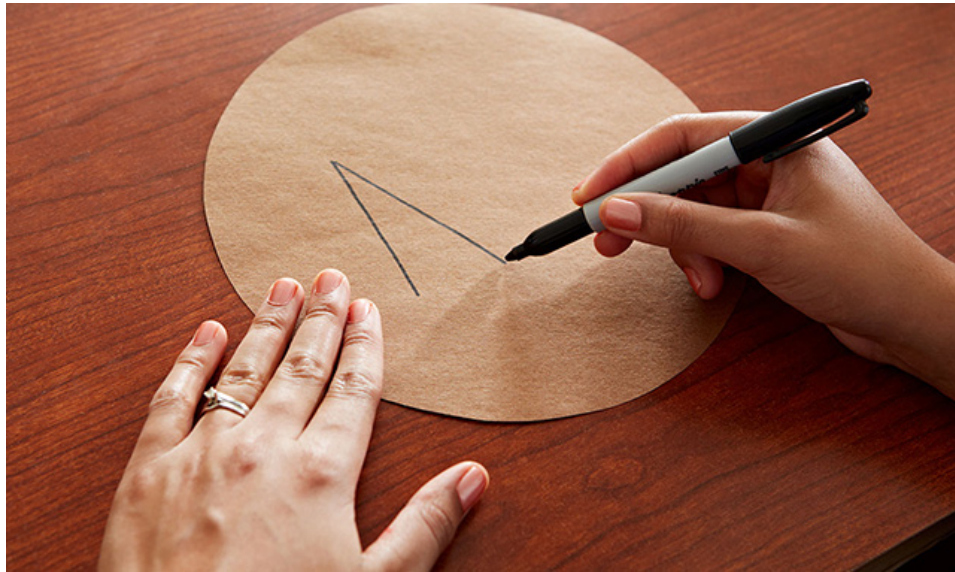

01

Cut out a circle about the size of a paper plate from a sheet of brown construction paper.

02

Write a very common word on the brown paper that your students may overuse, such as good, nice, said, run, etc.

03

Help your students brainstorm synonyms for the chosen word and write their ideas on yellow Post-it® Super Sticky Notes. Then, tape the brown circle to the wall or the side of your desk and post your student's ideas around the brown circle.
