PROCESS FOR CREATING A “TEXT” ONLY STAMP

The screenshot shows the Xstamper software interface for creating a stamp. The product is identified as "ECO-GREEN Xstamper® Pre-inked Stamp". The interface includes a top menu bar with "Text", "Artwork", and "Alignment" tabs. Below this is a font selection area showing "Helvetica LT 55 Roman" and various formatting options like bold (B), italic (i), underline (u), and color (A). A red callout box points to the font selection area with the text "Click here for additional font options". Another red callout box points to the "Alignment" tab with the text "Click Alignment to change text positioning". The main workspace displays a preview of the stamp with the text "Maria Diaz", "1234 Test", "Test, Test", and "Test" arranged in four lines. A red callout box points to the "TURN AUTOSIZE OFF" button with the text "The studio will automatically fill space proportionally unless you click the 'turn auto size off'". Another red callout box points to the text input fields on the left with the text "For text only option- populate the fields on the left only using number of lines needed". A red callout box points to the "Proceed" button with the text "Click proceed to view proof". The interface also includes a "Copy Item" button and a "Proceed" button in the top right corner.

PROCESS FOR CREATING A STAMP WITH ART/LOGO UPLOAD

The screenshot shows the 'Product: ECO-GREEN Xstamper® Pre-inked Stamp' design interface. At the top are navigation tabs: 'About Us', 'Contact Us', and 'View Product Summary'. Below these are three tabs: 'Text', 'Artwork', and 'Alignment'. The 'Artwork' tab is selected, and a red arrow points to it with the text: '1) Click on the Artwork tab to upload your own logo/artwork'. Below the tabs are icons for 'add your own artwork', 'get stock logo', 'LINE', 'SHAPE', 'COPY', and 'Paster'. A blue button labeled 'TURN AUTOSIZE OFF' is also visible. To the left of the design area are input fields for 'Line 1', 'Line 2', and 'Line 3'. A red arrow points from a callout box to the 'add your own artwork' icon with the text: '2) Click add your own artwork and it will let you browse your files'. The callout box text is: '2) Click add your own artwork and it will let you browse your files'. Below the input fields is a 'Browse' button and an 'UPLOAD' button. A 'Help' section contains links: 'Upload not working? Check your Flash Settings HERE.', 'Questions about file sizes and types?', 'Questions about design dimensions?', 'Other questions?', and 'Questions about Saving Artwork?'. A red arrow points from a callout box to the 'Browse' button. The callout box text is: 'Note: If you do not see an upload box to browse your files, you may need to update your flash settings. Click on check flash settings for step by step instructions.' Below the 'Help' section is the 'Your Artwork' section. It contains the text: 'Select how much of your artwork you want to crop and select "Place Cropped Artwork"', 'Place Original Artwork', and 'Place Cropped Artwork'. There are checkboxes for 'Crop Image' and 'Reduce Image to fit'. A preview of the 'city of west julian' logo is shown within a dashed box labeled 'product boundaries'. A red arrow points from a callout box to the 'Place Original Artwork' button. The callout box text is: 'Click on "Place Original Artwork" and crop in teh design studio/ next step'. To the right of the preview is a 'Saved Artwork List' section with the text: 'Select from the list below...'. The 'Depot.Different!' logo is in the bottom left corner.
