WPS OFFICE PRODUCTS

Return Policy

WPS will issue a full credit for all stocking/catalog purchased merchandise provided the items are returned within 60 days of the invoice date. To receive credit, product must be returned in the original packaging and be in resalable condition. Please include a copy of the packing slip and highlight the items (s) you are returning.

Please re-order any replacement items that you may need through normal ordering process.

All defective and/or damaged merchandise must be reported and returned within 60 days of invoicing to receive credit.

Items returned between 60 and 90 days after invoicing may receive a 75% credit, provided the items are returned in the original packaging and are in resalable condition.

Special Ordered Items

The majority of special ordered items are not returnable for credit. This is indicated on the invoice and is generally communicated at the time the special pricing is quoted to the customer. If WPS has made an error on your order, or if the merchandise is damaged, we will certainly issue credit and reorder the item (s) for you.

We do not return products to customers that have been returned to WPS that are deemed non-returnable (i.e. expired toner and obsolete products). Credit will not be issued and the merchandise is disposed of within three (3) business days of receipt.

If you have any questions about this return policy, please contact our Customer Service Department or your WPS Sales Representative.

**Understanding Your
General Motors Process
Contract Items vs. Non-Contract Items
Order Forms**

On-Contract Products: GM in conjunction with WPS/Office Depot collaborated to create a list of the most common used office supplies in the business sector of GM. These items have been priced market competitively to offer GM employees special discount. To view these items, visit the GM Common Coded page or view the items marked as “Best Value” on your web order site. Please note, all toner, ink and fax toner are considered on-contract. The products listed in this catalog are representative of GM common coded items.

Pull Stations Products: Within some SE MI facilities, GM provided space to house office supplies that are commonly used in the immediate business sector. These “Pull Stations” are typically found in commons areas or central locations. The pull station will also be supplied with the “Network” printer toner cartridge. In addition to the supplies and toners, the order form for both On and Off Contract ordering are stored in the pull station.

Non-Contracted items: Represents all items outside of the contract items noted above. These items are found in the large Workplace Solutions / Office Depot catalog or on-line in the credit card portion of the account. If located in SE MI, to order these items, please log onto the credit card portion of the account to place an order. Restricted items will require approval from purchasing team

You may register for online procurement by contacting WorkPlace Solutions at (866) 377-2301.

(formally known as Tier I and II Purchases)

Email Address:

Items which are not commonly stocked in the Pull-Station and are not found in the GM custom catalog must be ordered on the A-Card Purchase form.

Important: ALL information above must be completed or your order will NOT be filled
