

SPECIAL WESCO Price for Lexmark Toner Order through Office Depot

Our supplier partners Lexmark (manufacturer) and Office Depot (distributor) have put together a cost savings opportunity regarding the following Lexmark brand (OEM) toner products used in your operations.

In addition to overall price reduction and cost savings, using the OEM toner cartridges on your Lexmark printers reduces on average 30% of the equipment service calls due to toner issues (industry average) when using off brand cartridges.

The reduced Office Depot prices for the listed products will only be available to WESCO by accessing your Office Depot website. If you need login access to the portal, please complete the WESCO User Request Form. [\[CLICK HERE\]](#) for link to form and return completed form to jgates@wesco.com.

In accessing the Office Depot online ordering BUSINESS website, you should only use this link <https://business.officedepot.com> These products will be accessible to you to order from Office Depot.
