2021 Janitorial Program

Program Overview

Today's Business Solutions (TBS) is a top Tier 1 Diversity Partner with Office Depot (OD) and is certified as a Small Business, Minority and Woman Owned Enterprise.

TBS/OD was awarded PPG's Janitorial business after the strategic sourcing process (TBS/OD has been PPG's office supply vendor since 2016).

The TBS janitorial program will include dispensers, paper towels, bath tissue, wipers, aircare, hand soap and sanitizer, can liners, disinfectant wipes, cleaning chemicals, mops and other janitorial tools, etc. Contact TBS customer service at info@tbsconnection.com with the list of janitorial items that you are currently buying, and they will cross reference those items over to TBS item numbers that you should order moving forward.

Kimberly-Clark (KC) is the chosen manufacturer for towel, tissue, aircare, toilet seat covers, facial tissue and wipers. GOJO is the chosen manufacturer for hand soap and sanitizer. All dispensers are \$0.01 each to PPG.

New Kimberly-Clark Dispensers and Refills

****E-mail TBS customer service at info@tbsconnection.com with your list of current janitorial supplies and they will respond with the cross-referenced TBS Item #s for you to order.**

Steps to Convert to this Program

1

Complete the dispenser survey or provide dispenser count to TBS/OD if your location has not already done so.

2

Once your location's survey has been completed and submitted, TBS/OD will e-mail you exactly what needs to be ordered for your location. Place your order to TBS for the dispensers and refills.

3

If you will be using your own staff or contractor for the dispenser installation, then communicate that to TBS/OD and they will get you the paperwork for the dispenser hanging allowance \$.

4

If you would like KC to perform the installation for the KC dispensers, then complete the KC installation documents linked on the last slide and return that to TBS/OD. They will send that paperwork to KC who will then contact you to schedule the installation once your dispensers are delivered. The GOJO dispensers are simple to install and should be hung by PPG employees.
