2021 Janitorial Program for Stores

Program Overview

Today's Business Solutions (TBS) is a top Tier 1 Diversity Partner with Office Depot (OD) and is certified as a Small Business, Minority and Woman Owned Enterprise.

TBS/OD was awarded PPG's Janitorial business after the strategic sourcing process (TBS/OD has been PPG's office supply vendor since 2016).

The TBS janitorial program will include dispensers, paper towels, bath tissue, aircare, hand soap and sanitizer, can liners, disinfectant wipes, cleaning chemicals, etc.

Kimberly-Clark (KC) is the chosen manufacturer for towel, tissue, aircare, toilet seat covers and facial tissue. GOJO is the chosen manufacturer for hand soap and sanitizer. All dispensers are \$0.01 each to PPG.

Next Steps

KC Toilet Tissue dispensers (2) and KC Paper Towel dispensers (3) will be shipped to your store the week of May 17th.

Your store will need to use the remaining inventory of refills for your current dispensers over the next few weeks.

Your store will need to order the paper towel refills and toilet tissue refills that fit the new KC dispensers and the GOJO hand sanitizer dispensers and refills from TBS via E-Pro . Your store will need to remove your old dispensers and install your new ones once the dispensers and refills that you order have all delivered. The next few slides show the dispensing systems and refills that are available to your store if needed, like heavy-duty hand soap, aircare and toilet seat cover dispensers and refills. These can all be ordered from TBS via E-Pro.

If your store needs support identifying the correct item number to order, please contact TBS Customer Service: e-mail info@tbsconnection.com
