Features & Benefits

The OD Promo corporate stores offer many features and benefits for the user and consumer.

- ▶ **Private Label**
Solution that sets you apart with a custom URL.
- ▶ **Branding Control**
Every product is produced to specific brand standards approved by the customer.
- ▶ **Product Control**
Marketing controls what is ordered by allowing only items offered and approved.
- ▶ **Maverick Spend**
Keep cost controls in place by monitoring purchases by department.
- ▶ **Back End Reporting**
Manage the overall spending by reporting purchases by person, item, location or date.
- ▶ **Control of Approval Process**
All orders can be approved by dollar amount or SKU. Control unwanted or unneeded purchases.
- ▶ **Time Management**
Simple easy order process that saves time and aggravation.
- ▶ **Price Consistency**
One price agreed upon in advance helps control budgeting.
- ▶ **Easily Altered**
Seasonal adjustments can be made by adding product or specials based on time of year.
- ▶ **No Repeat Set Up Charges**
One time set up charge fee for orders.
