COMMERCIAL
Building Service Contractor Supplies

With 29 years of experience in janitorial floorcare, cleaning and disinfecting, and an ability to deliver custom solutions for jobs of all sizes, ODP Business Solutions is more than a supplier, we're a partner committed to the success of your business.

From staffing shortages to supply standardization, we understand your challenges and are prepared to meet them with our vast selection of janitorial and sanitation products.

We offer autonomous and ride-on cleaning equipment so you can do more work with fewer people. And our nationwide network of distribution centers can provide standardized, name-brand products to every office and facility you service anywhere in the country.

From nationally branded consumables, such as hand towels, bath tissue and pre-diluted chemicals, to floor maintenance power scrubbers and floor buffers, we have everything you need to take on any job.

Our mobile app makes it easy to order new products, and our subscription service means you'll never run out of essential supplies.

From equipment leasing to free site assessments, we're prepared to be your full-service supply partner and ready to do everything it takes to support your team.

ODP Business Solutions: Trust us to deliver.

Betco® Fastdraw® Green Earth® Peroxide Cleaner

- Designed to help eliminate mold stains and soap scum. Ideal for tile, grout, floors, carpets, glass and more.
- Hydrogen-peroxide formula cleans and brightens surfaces with no overpowering fumes. Does not contain aggressive acids or bleach.
- Leaves surfaces scented with the smell of fresh mint.
- Green Seal certified: reduced environmental impact from an overall lifecycle standpoint.
- Less harsh chemicals: made with fewer harsh chemicals, or safer chemicals than typical alternatives, helping reduce your use of and exposure to substances that may be more harmful to your health and the environment.

Fresh Mint Scent, 2L Bottle, Case Of 4 Item# 750773

Fresh Mint Scent, 2L Bottle, Case Of 2 Item# 155147

Green Earth® Daily Floor Cleaner Neutral pH, Low Foaming Floor Cleaner

Recommended for a solid clean while maintaining high gloss on finished floors. When used as directed, it will thoroughly wet, emulsify and suspend soil from highly polished floor surfaces without attacking the gloss of the floor. Super concentrated, this product provides a low end-use cost per gallon

- EPA Safer Choice Certified
- Neutral pH
- Wets, emulsifies and suspends soils
- All ingredients are readily biodegradable
- Deodorizes surfaces

Yield: 136 gal./544 qt. Item# 1454608

Betco® Green Earth® Restroom Cleaner

Keep your restroom free of grime.

- Heavy-duty cleaner for restroom surfaces. Great for tile and grout surfaces, countertops, sinks and toilets.
- Formula contains powerful cleaning agents. Chemically designed to remove heavy soap scum, body and tanning oils, mineral deposits and other soils. Contains organic acids, scale-inhibiting agents and soil-suspending ingredients.
- Rich, clinging foam for a longer contact time on vertical surfaces. Maximizes penetration of tough soils.
- Leaves a pleasant, fresh mint fragrance behind.

2L Bottle, Case Of 4 Item# 491950

Top Flite™ All Purpose Cleaner

Clean and deodorize most waterwashable surfaces with this advanced formula. Formulated without butyl or inorganic phosphates, this detergent will not harm most surfaces. Great for mop and bucket, spray or sponge applications.

- Suspends the toughest soils and prevents them from redepositing on the surface
- Cleans and deodorizes practically any water washable surface
- Extremely effective in hard water

Yield: 34 gal./136 qt., 2L Bottle, Case Of 4 Item# 750278

Green Earth® Natural Degreaser Concentrated Hard Surface Industrial Degreaser

This powerful degreaser is the naturally preferred solution for all degreasing tasks. A synergistic blend of natural ingredients with a unique surfactant system produces a formula that equals most traditional degreasers. This unique degreaser breaks down greases, oils, and fats including industrial petroleum greases on all water safe surfaces.

- Removes inks, oils, greases and fats from a variety of surfaces
- Power is equal to that of traditional degreasers
- Proprietary blend of natural, biorenewable / biobased ingredients

2 Liter Bottle, Case Of 4 Item# 1452169

Citrus Chisel Non-Butyl Citrus Cleaner, Degreaser

The superior performance of this cleaner/degreaser is provided by a synergistic mixture of natural citrus solvents and a totally unique surfactant system. This formula is nonflammable, yet it will out-clean most solvent cleaners.

- Concentrated natural citrus based solvents for light to heavy duty cleaning
- Quickly penetrates fats, oils and grease-based soils
- Deodorizes as it cleans with a pleasant citrus fragrance
- Economical dilution
- Performs practically any cleaning task, from factory to kitchen

Yield: 34 gal./136 qt., 2L Bottle, Case Of 4 Item# 1452862

Speedex Concentrate Heavy Duty Spray Cleaner, Degreaser

This concentrated, fast acting cleaner and degreaser efficiently removes tough stains from most hard surfaces. Speedex lifts crayon, lipstick, graffiti, oil, and heel marks from surfaces, but is high-powered enough to penetrate fats, oils, and grease-based solids. Suitable for a variety of applications, including spray bottles, mop buckets, and autoscrubbers.

- Concentrated proprietary blend of grease-fighting ingredients and boosters
- Quickly penetrates fats, oils and grease based soils
- Deodorizes as it cleans with lemon fragrance
- Lifts stubborn soils from a variety of surfaces

Yield: 11 gal./44 qt. Item# 750845

3M™ 7200 Stripping Floor Pads

This stripping floor pad helps remove most finish, sealer and contaminants from floor surfaces, including marble and concrete.

- A floor maintenance stripping pad made of nylon and polyester fibers in an open textured, nonwoven construction.
- This product is used with water-based floor finish stripping solutions to remove old soiled floor finishes and sealers.
- Also used to clean heavily soiled hard surface floors such as concrete when used with appropriate cleaning chemicals.
- For use on finish-coated flooring such as sheet vinyl, vinyl tile, marble, terrazzo or concrete.
- Exacting manufacturing standards deliver thickness uniformity from edge to edge and pad to pad, resulting in consistent performance without pad wobble or machine vibration.
- Pads are reversible and will not be significantly affected by water, detergents, or cleaners normally used for floor maintenance.
- Designed for use on standard, low speed automatic scrubbers and rotary floor machines (175 - 600 rpm).
- Green Seal certified — reduced environmental impact from an overall lifecycle standpoint.
- Less harsh chemicals — made with fewer harsh chemicals, or safer chemicals than typical alternatives, helping reduce your use of and exposure to substances that may be more harmful to your health and the environment.

20" D, Black, Case Of 5 Item# 874739

3M™ 7300 High-Productivity Floor Stripping Pads

This stripping pad can quickly remove finishes and sealers, so you can keep floors looking like new.

- A floor maintenance stripping pad made of continuous filament nylon with an open-textured, nonwoven construction to provide fast, aggressive stripping.
- Open construction is resistant to loading and clogging for high pad-to-floor contact.
- Designed to strip floor finish from floors prior to refinishing.
- Use with water-based floor finish stripping solutions.
- For use on finish-coated flooring such as sheet vinyl, vinyl tile, marble, terrazzo or concrete.
- Designed for use on standard, low speed automatic scrubbers and rotary floor machines (175 - 600 rpm).
- Reversible design won't be affected significantly by water, detergents or cleaners.
- Compatible with rotary floor machines with 175 to 600 rpm as well as standard, low-speed automatic scrubbers.
- Green Seal certified — reduced environmental impact from an overall lifecycle standpoint.
- Less harsh chemicals — made with fewer harsh chemicals, or safer chemicals than typical alternatives, helping reduce your use of and exposure to substances that may be more harmful to your health and the environment.

20" D, Black, Case Of 5 Item# 1448893

Americo® Buffing Floor Pad

The Americo Buffing Pad is designed for light cleaning and buffing. It removes light scuff marks and dirt while producing a high-gloss shine.

- For light daily cleaning and spray buffing.
- Removes light scuff marks and dirt, while producing a high gloss shine.
- For use on oscillating machines or rotary machines up to 800RPM.
- Green Seal certified — reduced environmental impact from an overall lifecycle standpoint.
- Less harsh chemicals — made with fewer harsh chemicals, or safer chemicals than typical alternatives, helping reduce your use of and exposure to substances that may be more harmful to your health and the environment.

20" D, Red, Box Of 5 Item# 3182063

Greener options

Americo® Super Polish Floor Pad

The Americo Super Polishing Pad is designed for polishing clean dry floors. Use it to buff soft finishes and low traffic areas.

- Super floor polishing floor pad.
- Extra fine pad for polishing clean, dry floors.
- Use dry or wet for a high gloss "wet look" to newly finished floors.
- For use on oscillating machines or rotary machines up to 3000RPM.
- Green Seal certified — reduced environmental impact from an overall lifecycle standpoint.
- Less harsh chemicals — made with fewer harsh chemicals, or safer chemicals than typical alternatives, helping reduce your use of and exposure to substances that may be more harmful to your health and the environment.

20" D, White, Box Of 5 Item# 6644520

Scotch-Brite™ Clean & Shine Floor Pads

2 in 1 daily cleaning pad for low speed scrubbers that gradually increases shine with repeated use.

- Cleans and shines in the same step, using only a low-speed scrubber
- Save costs and labor by reducing or eliminating the need to burnish
- Removes black marks 3 times faster than traditional cleaning pads
- Two-sided pad lasts longer than traditional cleaning pads
- Effective on most coated and uncoated hard floors including VCT, LVT, vinyl, rubber, marble, stone, terrazzo, granite, and concrete with only water or neutral cleaner
- Certified by Green Seal® for Environmental Innovation based on a design for significantly improved initial performance compared to competitive products, extending the useful life of the floor pad and reducing solid waste generation

28" x 14", Case Of 5 Pads Item# 5820276

Scotch-Brite™ Surface Preparation Floor Pads

These environmentally preferable pads require only neutral cleaner or water to effectively deep scrub and remove most floor finishes, leaving a clean surface ready for refinishing. The cleaning process is easy, and because there is no slippery residue from strippers, no stripper contact with skin and clothing, and no stripper clean up, the product helps enhance safety and productivity.

- Requires only neutral cleaner or water to effectively remove floor finish, preparing the floor for finish application
- Aggressively scrubs finishes in preparation for recoating
- Heavy duty scrubbing for 2 - 4 coat removal prior to recoating
- Helps reduce labor hours and material costs related to stripping floors
- Helps enhance safety and productivity: no slippery residue from stripper; no cleanup on baseboards or nearby floors; no chemical contamination on skin, clothes and shoes
- Certified by Green Seal® for Environmental Innovation based on a design for significantly improved mid-life performance compared to competitive products, extending the useful life of the floor pad and reducing solid waste generation

20" D, Maroon, Case Of 10 Pads Item# 2302632

Greener options
Denotes products with at least one meaningful green attribute or eco-label.

Scotch-Brite™ Surface Preparation Pad Sheets

Prepares wood, vinyl tile, sheet vinyl, marble, terrazzo and concrete floors for finish application.

- Requires only neutral cleaner or water to effectively remove floor finish, preparing the floor for finish application
- Clogs less than competitive scrub and recoat pads
- Does not require the use of a backer pad (confirm pad driver compatibility with machine manufacturer before using without backer pad)
- Lasts longer than competitive pads and performs better throughout the life of the pad
- Helps reduce labor hours and material costs related to stripping floors
- Aggressively scrubs finishes in preparation for recoating
- Certified by Green Seal® for Environmental Innovation based on a design for significantly improved mid-life performance compared to competitive products, extending the useful life of the floor pad and reducing solid waste generation

14" x 20", Maroon, Pack Of 10 Item# 650469

Scotch-Brite™ Surface Preparation Pads

These environmentally preferable* pads require only neutral cleaner or water to effectively deep scrub and remove most floor finishes, leaving a clean surface ready for refinishing.

- Requires only neutral cleaner or water to effectively remove floor finish, preparing the floor for finish application
- Use with rotary or automatic floor machines
- Heavy duty scrubbing for 2 - 4 coat removal prior to recoating
- Helps reduce labor hours and material costs related to stripping floors
- Certified by Green Seal® for Environmental Innovation based on a design for significantly improved mid-life performance compared to competitive products, extending the useful life of the floor pad and reducing solid waste generation
- Green Seal certified — reduced environmental impact from an overall lifecycle standpoint.
- Less harsh chemicals — made with fewer harsh chemicals, or safer chemicals than typical alternatives, helping reduce your use of and exposure to substances that may be more harmful to your health and the environment.

28" x 14", Maroon, Pack Of 10 Pads Item# 345374

3M™ 3400 Burnish Floor Pad

This burnishing pad is designed for use on high traffic areas and produces a brilliant wet-look in the gloss finish.

- A floor maintenance burnishing pad made of polyester fiber in a non-woven web construction.
- Used for high speed burnishing on harder finishes and high traffic conditions.
- Designed to remove scuffs and marks, repair finish and improve gloss and image clarity.
- This product is used on corded electric, battery electric, or propane powered floor machines for burnishing of coated surface floor.
- For use on finish-coated flooring such as sheet vinyl, vinyl tile, marble, terrazzo or concrete.
- Exacting manufacturing standards deliver thickness uniformity from edge to edge and pad to pad, resulting in consistent performance without pad wobble or machine vibration.
- Pads are reversible and will not be significantly affected by water, detergents, or cleaners normally used for floor maintenance.
- For use on ultra-high-speed floor machines operating at 1500 - 3000 rpm

20" D, Tan, Pack Of 5 Item# 526836

Greener options
Denotes products with at least one meaningful green attribute or eco-label.

Americo Maroon X Heavy-Duty Floor Restoration Pads

Keep your floors sparkling with Americo Maroon X Heavy-Duty Floor Restoration Pads. Each synthetic pad is ideal for heavy-duty stripping and scrubbing.

- Multi-surface pads can be used on wood floors, VCT, terrazzo and other floor types.
- Designed for extreme stripping or deep scrubbing.
- Use wet or dry.
- Compatible with Automatic Scrubber and Standard Electric Machines up to 350RPM.

20" D, Maroon, 5 Pads Per Box, Set Of 2 Boxes Item# 4130232

3M™ 7100 Floor Stripper Pads

Remove floor finish, sealant and contaminants with help from this stripping pad, which works well with most floor machines. The uniform, reversible design promotes consistent performance throughout its lifespan.

- Used with water based floor finish stripping solutions to remove old soiled floor finishes and sealers.
- Can clean heavily soiled hard surface floors such as concrete when used with appropriate cleaning chemicals.
- Also used for dry stripping floors using minimum moisture content stripping chemicals
- Made of nylon and polyester fibers in an open textured non-woven construction
- Abrasive particles are dispersed throughout and bonded to the non-woven construction with a durable adhesive
- Conformable stripping pad for uneven floors

20" D, Brown, Pack Of 5 Pads Item# 9119315

Niagara Red Buffing Pad

Niagara Red Buffing Pad 5100N cleans when wet and buffs when dry like two pads in one. This 20" pad will clean and remove scuff marks while polishing floors to a high gloss. Use it on a rotary floor cleaner at conventional speeds from 175 to 600 RPM.

- Conventional speed pad: 175-600 RPM
- Works with rotary floor cleaners
- Like 2 pads in one - cleans when wet and buffs when dry
- Polish floors to a high gloss

20" D, 5/Case Item# 722774

Niagara™ 3500N Natural Hog's Hair Floor Pads

Remove scratches on hard finishes using these Niagara 3500N burnishing floor pads. The tough design helps you maintain a clean look in your establishment.

- Designed for low-frequency burnishing programs.
- Compatible with most high-speed floor machines that operate at 1,500 to 3,000 rpm.
- For use with a wide variety of floor finishes.
- Made with natural hog's hair.

20" D, Tan, Case Of 5 Item# 995681

19" D, Tan, Case Of 5 Item# 614348

3M™ 3500 Ultra High-Speed Natural Blend Floor Burnishing Pads

Remove scuffs and marks on your flooring with this floor pad. Made of hog's hair and synthetic fibers, this pad produces a high gloss while resisting loading and clogging.

- Leaves hard floors with a high-gloss finish. Hog's hair and synthetic fiber blend in an open-textured, non-woven pad design features resins and polishing particles spread evenly throughout.
- Removes scuffs and marks found on hard floor finishes.
- Can be used with corded-electric, battery-electric and propane-powered floor machines that operate at 1500 RPM or greater.
- Reversible pad extends product lifecycle.

17" D, Tan, Pack Of 5 Pads Item# 4778985

3M™ 4100 Super Polishing Floor Pads

Quickly and thoroughly clean your floors with these polyester-fiber floor pads. They can be used to polish wood floors, spray clean floors or dry buff soft finishes with a machine.

- Used for spray cleaning or dry buffing and for light scrubbing using water or detergent solution. Compatible with most standard, low-speed automatic scrubbers and rotary floor machines (175 - 600 rpm).
- Removes soil and scuff marks with minimal finish dulling. Ideal for use on most finish-coated flooring, such as sheet vinyl, vinyl tile, marble, terrazzo and concrete.
- Non-woven web construction is made of polyester fiber. Edge-to-edge uniformity and precision hole placement at the center promote consistent performance, minimized vibration and a long lifespan.
- Reversible design resists damage due to water and most detergents and cleaners commonly used for floor maintenance.
- Easy to clean - simply use a pressure spray nozzle or soak the pad to remove soil particles.

20" D, White, Box Of 5 Item# 874830

3M™ 5100 Buffer Floor Pads

Buff the blemishes from your floors for a clean, professional look with 3M 5100 red buffer floor pads. This floor maintenance, cleaning and buffing pad is reversible, easy to clean and made to last.

- Used for spray cleaning or dry buffing and for light scrubbing using water or detergent solution. Compatible with most standard, low-speed automatic scrubbers and rotary floor machines (175 to 600 rpm).
- Ideal for most sheet vinyl, vinyl tile, marble, terrazzo and concrete surfaces as well as many other floor types.
- Made of polyester fiber. Uniform design and durable construction promotes consistent performance and a hearty lifespan.
- Reversible design guards against deterioration due to exposure to water and most detergents and cleaners commonly used for floor maintenance.
- Pads are easy to clean by soaking in a detergent or diluted stripping solution or hosing off using a pressure spray nozzle.

13" D, Red, Case Of 5 Item# 827694

20" D, Red, Box Of 5 Item# 874767

Niagara™ Scrubbing Floor Pads

Floor pads that make scrubbing a breeze

- Use to scrub hard finishes.
- Pad is designed for 175–600 RPM low-speed machines.

Features of All Fellowes® AeraMax® Pro Air Purifiers

The 4-stage True HEPA filtration system removes 99.97% of all airborne contaminants, including viruses. Fellowes® AeraMax® Pro air purifiers were demonstrated through independent laboratory testing to be effective in reducing aerosolized airborne concentration of Human Coronavirus 229E in a test chamber, reaching 99.99% airborne reduction within 1 hour of operation.

- Antimicrobial HEPA treatment prevents bacteria growth on the filter and activated carbon filter reduces odors and VOCs.
- Backed by the manufacturer's 5-year limited warranty.

Fellowes® AeraMax® Pro AM4 Air Purifier

- The only air purifier that automatically responds to occupancy and air quality levels
- Delivers 3-5 air changes per hour (ACH) in 650-1100 square feet shared spaces such as classrooms and conference rooms.
- Patented EnviroSmart™ technology continuously monitors occupancy and room air quality and automatically adjusts to clean the air

Hard Wired, Silver, 19-1/2"H x 37"W x 9-1/2"D, 1/EA Item# 534986

Plug, Silver, 34-13/16”H x 9-1/2”W x 19”D, 1/EA Item# 9277194

Fellowes® AeraMax® Pro AM4 PC Air Purifier

- The only air purifier that automatically responds to occupancy and air quality levels and then shows you when the air is clean
- Delivers 3-5 air changes per hour (ACH) in 650-1100 square feet shared spaces such as classrooms and conference rooms.
- Patented EnviroSmart™ technology continuously monitors and automatically adjusts performance based on air quality and occupancy
- PureView screen shows real time air quality data, the percentage of particles captured and a live status of room air quality

Hard Wired, Silver, 19-1/2”H x 37”W x 9-1/2”D, 1/EA Item# 9763783

Plug, Silver, 34-13/16”H x 19-1/2”W x 9-1/2”D, 1/EA Item# 7752371

Fellowes® AeraMax® Pro AM4S HEPA Air Purifier

- Delivers 3-5 air changes per hour in 600-1100 square feet shared spaces such as classrooms and conference rooms.
- Patented EnviroSmart™ technology continuously monitors and automatically adjusts performance based on air quality and occupancy.
- Low decibel level ensures the air purifiers's operation does not disrupt your daily workflow.
- Portable design can move from room to room with ease.

White, 22-3/4"H x 34-7/8"W x 10-3/4"D, 1/EA Item# 574025

Fellowes® AeraMax® Pro AM4 FLEX Portable HEPA Air Purifier

Commercial grade, mobile plug-in air purifier with proprietary smart sensor technology is designed for large spaces up to 2,250 square feet.

- Extra-large room coverage: Recommended for rooms or facilities up to 2,250 square feet.
- Dual 4-Stage H13 True HEPA Filtration: Removes at least 99.95% of particles as small as 0.1 microns, including allergens, such as pollen, dust, pet dander, and smoke.
- Stand mounted on casters: easily moves wherever greater coverage is required.
- Monitors occupancy and air quality: the air purifier that works harder when you need it powered by EnviroSmart™ Technology.
- See real time air quality data: PureView ™ Technology shows the percentage of particles captured and a live status of room air quality.

Silver, 36-1/16"H x 24-1/16"W x 34-1/16"D, 1/EA Item# 6180375

Fellowes® AeraMax® Pro AM3 PC Air Purifier

- The only air purifier that automatically responds to occupancy and air quality levels and then shows you when the air is clean
- Delivers 3-5 air changes per hour (ACH) in 300-550 square feet shared spaces such as waiting rooms and restrooms. Quiet operation
- Patented EnviroSmart™ technology continuously monitors and automatically adjusts performance based on air quality and occupancy
- PureView screen shows real time air quality data, the percentage of particles captured and a live status of room air quality

Fellowes® AeraMax® PureView™ Pro AM3 PC HEPA Air Purifier

- Delivers 3-5 air changes per hour in 300-550 square feet shared spaces such as waiting rooms and restrooms.
- Patented EnviroSmart™ technology continuously monitors and automatically adjusts performance based on air quality and occupancy.
- PureView screen shows real time air quality data, the percentage of particles captured and a live status of room air quality.
- Low decibel level ensures the air purifiers's operation does not disrupt your daily workflow.
- Portable design can move from room to room with ease.

White, 22-9/16”H x 21”W x 10-5/8”D, 1/EA Item# 9763733

Fellowes® AeraMax® Pro 3S HEPA Air Purifier

- Patented EnviroSmart™ technology continuously monitors and automatically adjusts performance based on air quality and occupancy.
- Low decibel level ensures the air purifiers's operation does not disrupt your daily workflow.
- Portable design can move from room to room with ease.
- ENERGY STAR certified — meets federal guidelines for energy efficiency.
- Energy efficient — designed to use less energy than alternative products, potentially helping you save money and reduce your carbon footprint.

White, 22-11/16"H x 21"W x 10-5/8"D, 1/EA Item# 822626

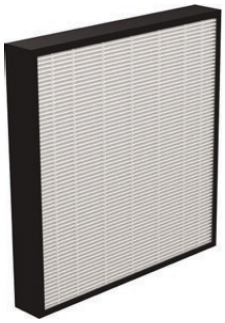

Fellowes® AeraMax® Pro 3/3S/4/4S HEPA Carbon Filters With Pre-Filters

Use this 3/8" carbon filter with your existing AeraMax Pro AM 3 or AM4 Air Purifier. It uses commercial grade activated carbon, which adsorbs a wide range of volatile organic compounds (VOCs) and odors.

- Active Carbon filter traps most odors, pollutants and Volatile Organic Compounds (VOCs) for cleaner indoor air quailty.
- Pre-Filter screen captures large dust particles before they reach the main filters, which helps to increase the lifespan of the unit.

2-1/4", Pack Of 4 Item# 140099

Fellowes® AeraMax® Pro True HEPA Filter

Add this filter to your existing air purifier to keep your air clean and free of bacteria. The HEPA filter captures 99.97% of contaminants, including particulates as small as 0.3 microns.

- Part of the standard replacement filter configuration for all variants of AeraMax® Pro AM 3 and AM4 Air Purifiers
- True HEPA filter captures 99.97% of airborne particles at the size 0.3 microns, including pollen, ragweed and other allergens, viruses, germs, dust mites, mold spores, pet dander and cigarette smoke
- Features an antimicrobial treatment that provides built-in protection from the growth of odor causing bacteria, mildew, and fungi on the filter

2", Pack Of 2 Item# 596226

Fellowes® AeraMax® Pro Hybrid Antimicrobial Filter

Fellowes AeraMax Pro 2" Antimicrobial Hybrid HEPA/ Carbon Air Purifier Filters provides the benefits of a True HEPA filter and a carbon filter in 1. The antimicrobial treatment keeps the HEPA filter free of bacteria, and the filter tackles 99.97% of airborne particles.

- Combined filter that includes half True HEPA and half Activated Carbon in one for enhanced air-cleaning power
- True HEPA filter captures 99.97% of airborne particles at the size 0.3 microns, including pollen, ragweed and other allergens, viruses, germs, dust mites, mold spores, pet dander and cigarette smoke
- Includes separate pre-filter to capture larger particulate to help extend life of subsequent filters

2", Pack Of 2 Item# 482394

Fellowes® AeraMax® Pro Carbon Air Purifier Filters

Use this 2" carbon filter with your existing Fellowes AeraMax Pro 2" Carbon Air Purifier to keep your air free of contaminants. It includes a Pre-Filter and is designed to last for up to 2 years.

- Commercial grade activated carbon filter which adsorbs a wide range of volatile organic compounds (VOCs) and odors
- Includes separate pre-filter to capture larger particulate to help extend life of subsequent filters

2", Pack Of 2 Item# 154385

Fellowes® AeraMax® Pro Pre-filters

The pre-filters capture larger particulate to help extend life of subsequent filters. Estimated life depends on level of particulates but should be changed with carbon filter.

- Pre-filters capture large particulates like dust and hair and keep carbon filters working effectively
- Estimated life depends on level of particulates but should be changed with carbon filter
- Prefilters can be changed more frequently in high particulate environments
- Compatible with all variants of AeraMax® Pro AM 3 and AM4 Air Purifiers
- 4 pack - includes 4 single pre-filters

3/16", Pack of 4 Item# 6716507

Fellowes® AeraMax® Pro AM2 HEPA Air Purifier

The 4-stage True HEPA filtration system removes 99.97% of all airborne contaminants, including viruses. Fellowes® AeraMax® Pro air purifiers were demonstrated through independent laboratory testing to be effective in reducing aerosolized airborne concentration of Human Coronavirus 229E in a test chamber, reaching 99.99% airborne reduction within 1 hour of operation.

- The only air purifier that automatically responds to occupancy and air quality levels
- Delivers 3-5 air changes per hour (ACH) in 150-250 square feet spaces. Perfect for smaller shared spaces such as restrooms and offices
- Patented EnviroSmart™ technology continuously monitors occupancy and room air quality and automatically adjusts to clean the air
- 4-stage True HEPA filtration system removes 99.97% of all airborne contaminants, including viruses
- Antimicrobial HEPA treatment prevents bacteria growth on the filter and activated carbon filter reduces odors and VOCs
- Floor stand accessory and ADA compliant recess kit also available

White/Silver, 22-1/2"H x 14"W x 4-1/8"D, 1/EA	Item# 718118
Fellowes® AeraMax® Pro AM2 Recess Kit, White, 1/EA	Item# 8938271
Optional AeraMax Pro AM2 Stand, Stainless, 1/EA	Item# 4209222

Fellowes® AeraMax® Pro AM2 True HEPA Filter

This True HEPA filter captures 99.97% of airborne particles at the size 0.3 microns, including pollen, ragweed and other allergens, viruses, germs, dust mites, mold spores, pet dander and cigarette smoke and an antimicrobial treatment provides built-in protection from the growth of odor causing bacteria, mildew, and fungi on the HEPA filter.

1-3/4", Pack of 1 Item# 579686

Fellowes® AeraMax® Pro AM2 Carbon Filter

The AM2 Carbon Filter is an alternative replacement filter for the AeraMax® Pro AM2 Air Purifier. This carbon filter uses commercial grade activated carbon which adsorbs a wide range of volatile organic compounds (VOCs) and odors. The estimated filter life is one-year (depending on usage conditions).

- Commercial grade activated carbon filter which adsorbs a wide range of volatile organic compounds (VOCs) and odors

1-3/4", Pack Of 1 Item# 426954

Fellowes® AeraMax® Pro AM2 Hybrid Filter

The AM2 Hybrid Filter is the standard replacement filter for the AeraMax® Pro AM2 Air Purifier. This single filter combines half True HEPA and half Activated Carbon in one for enhanced air-cleaning power.

- Standard replacement filter configuration for AeraMax® Pro AM2 Air Purifier
- Combined filter that includes half True HEPA and half Activated Carbon in one for enhanced air-cleaning power
- True HEPA filter captures 99.97% of airborne particles at the size 0.3 microns, including pollen, ragweed and other allergens, viruses, germs, dust mites, mold spores, pet dander and cigarette smoke
- Antimicrobial treatment provides built-in protection from the growth of odor causing bacteria, mildew, and fungi on the HEPA filter
- Commercial grade activated carbon filter which adsorbs a wide range of volatile organic compounds (VOCs) and odors

1-3/4", Pack of 1 Item# 235704

Genuine Joe® Plastic Lobby Broom

- Bristles will not absorb water when cleaning up spills
- Angled plastic, frayed bristles sweep up dust and debris easily.
- Plastic boom handle with a hang-up hole for convenient storage.

Black, 32" L	Item# 219793
Black, 12/CS	Item# 921882
Black, 6/CS	Item# 397151
Black, 6/CS	Item# 901195

Rubbermaid Commercial Fine Bristle 36" Push Broom

Assembled push broom offers enhanced features and 3" fine bristles to ensure efficient, hassle-free cleanup for the most demanding commercial jobs. It removes debris in 40 percent fewer sweeps vs. previous Rubbermaid Commercial push brooms. It also has more bristles per block to sweep more debris in every stroke with less debris trail vs. previous Rubbermaid Commercial push brooms. Bristles are made of soft, durable polyethylene used to sweep fine debris on smooth surfaces. Broom also features advanced injection molding, computer-optimized bristle stapling and full-scale push broom assembly to ensure consistent, durable and high quality. The 1-1/8" diameter lacquered wood handle and head are sold together. Fully assembled steel brace and die-cast aluminum connector offer durability. Solid wood block improves durability.

Polyethylene Terephthalate (PET) Bristle	Item# 3346109

Rubbermaid Commercial Heavy Duty Stand Up Debris Pan

Molded comfort handle reduces strain

- Durable rear wheels improve wear resistance and extend product life
- Huge storage capacity reduces trips to empty the pan
- Locking latch for secure lifting and emptying of heavy loads up to 25 lbs.
- Angled, ergonomic handle for reduced strain when sweeping debris into pan
- Built-in hang hole for convenient storage
- Extra large opening is wide enough to fit an 18" push broom

30" Handle, Yellow	Item# 6729597

Rubbermaid® Brute® Angled Broom

Flagged polypropylene bristles remove fine particles from tight corners and spaces

- Angled head with 1" diameter handle that provides easy gripping.

Item# 921916

Wilen Black Tampico Push Broom

Ideal for heavy-duty cleaning on concrete, wood or tile floors

- An all-purpose broom with dense and flexible black bristles.
- Strong enough for commercial and industrial clean up jobs.

24" Item# 485543

Wilen Complete Angle Broom

A great angled broom for cleaning tight spaces

- Includes a 48" long metal handle.
- Yellow bristles are flagged for efficient sweeping of fine particles.
- Specifically designed at an angle for sweeping into tight areas and corners.
- Fibers are chemical resistant.
- The broom is easily cleaned with soap and water.

Large, 48" Handle, Black/Yellow Item# 375599

Wilen Large-Angle Flag-Tip Broom

An angled design allows the broom to sweep into corners and tight areas

- The broom is attached to a 48" long metal handle.
- Features yellow bristles with polypropylene flagged tips.

Item# 673058

SUPERIOR PICK UP CARPET SWEEPER, TRIPLE BRUSH

- Convenient to use with no cords, bags, or batteries, just push and go
- Works on most floor surfaces, including tile, vinyl, hardwood, and carpeted floors
- Comb included for keeping brush rollers free from hair and debris
- 11-inch wide sweeping path to get the job done

Black, 42.5" x 7.87", 4/CS Item# 539418

Alpine Manual Triple Brush Floor And Carpet Sweepers

Quickly clean up small messes and debris with the Alpine Manual Triple Brush Floor And Carpet Sweeper. Push and go while 1 central brush and 2 side brushes do all the work of pushing crumbs into the push open compartments.

- No cords, batteries or bags required: just push and go.
- Compatible with most floor surfaces including hardwood, tile, vinyl and carpet.
- 11" wide sweeping path.

Red, Pack Of 2 Sweepers Item# 3654560

Disinfecting Wipes

Clorox® Disinfecting Wipes

The thick, textured Clorox disinfecting wipes feature a clear-drying formula that works great on many surfaces. The wipes are premoistened to ensure simple grab-and-go use.

- Thick, premoistened surface wipes for disinfecting and cleaning. Ideal for daycare centers, offices, schools, restaurants and other commercial facilities.
- Bleach-free formula Eliminates 99.9% of viruses and bacteria, dissolves grease and removes soap scum. Eliminates cold and flu viruses, E. Coli, Staph, Salmonella, Strep and Influenza A.
- Canister dispenses 1 wipe at a time.
- Fresh scent and citrus blend wipes provide a pleasing aroma.
- Fresh scent wipes are ideal for offices, day care centers, restaurants and other commercial facilities.
- Wipes come in a pack of 75.

7" x 8", Fresh Scent, Pack Of 75 Wipes	Item# 821808
7" x 8", Fresh Scent/Citrus Blend, 75 Wipes Per Canister, Pack Of 3 Canisters	Item# 696386

Impact Products Adjustable Lambswool Duster

Lambswool duster safely cleans dust from surfaces to reduce the effects of allergies and irritations in your home or office. Genuine lambswool attracts dust like a magnet from both irregular and flat surfaces. Handle extends from 33" to 60" to easily dust hard-to-reach areas. Durable material is washable for long-lasting use. Duster is perfect for cleaning door frames, shelves, large furniture and more.

White, 60"L Item# 3213757

Rubbermaid Commercial HYGEN Quick-Connect Flexible Dusting Wand

Part of the Rubbermaid Commercial Hygen Cleaning System, this Quick-Connect Flexible Dusting Wand with microfiber dusting sleeve effectively extends reach and removes soil from high and awkward places. Flexible wand conforms to irregular surfaces for easy cleaning. High-pile sleeve reaches into crevices, effectively removing dust, dirt and grime. Quick-connect mechanism converts handheld duster to high-reach tool with the use of Rubbermaid Quick-Connect handles and extension poles. Replacement sleeves are sold separately for added product life.

Black, 28.8"L Item# 716433

Unger Polypropylene Bristle Cobweb Duster

Clear the cobwebs out of your home or office with ease.

- Easily squeeze the cone-shaped duster into corners and crevices.
- Split-tip polypropylene bristles are soft and bendable.
- Sturdy 3 1/2" handle provides an easy grip.
- Works with the Unger telescopic pole (sold separately) to extend your reach.

Gray, 3 1/2" Handle Item# 1632223

Rubbermaid® Commercial Disposable Cut-End Blended Dust Mop Head

Features cut-end yarn for effective dust pick up

- Dust up to 500,000 square feet of flooring before having to replace it.
- Soft, open-twist yarn made of a cotton and synthetic fiber blend.
- Envelope-style backing makes it easy to slide onto and remove from your mop head.

24" x 5", White Item# 2390104

Microfiber Technologies Microfiber Pads - Fringe Dry/Dust Mop

Microfiber pad with fringe provides all the benefits of microfiber without having to replace standard frames and handles. Cut-end microfiber with fringe picks up larger particles of dust and trash. Poly/canvas-backed microfiber mops attract and hold dust that cotton mops leave behind. The canvas backing is color-coded by size. This fringe dry/dust mop features a blue backing to indicate a 48" length. Envelope-style backing eliminates problems created by ties or snaps while still using traditional 5" dust mop frames. Extra padding in the mop allows complete surface contact.

5"W x 48"L Item# 880869

Rubbermaid® Twisted-Loop Blend Dust Mop

Thanks to a twisted-loop design, this dust mop captures plenty of debris and resists fraying, snagging and unraveling. The slip-on backing makes setup quick and easy.

- Blend of cotton and synthetic fibers can be easily washed to extend the useful life.
- Polyester backing sleeve fits most standard and breakdown-style dust mop frames (sold separately).
- Twisted-loop design provides increased coverage and reduces snagging.
- Prelaundered to minimize shrinking.
- 24"L x 5"D.

Blue, 24" x 5" Item# 546242

Rubbermaid® Snap-On Commercial Dust Mop Handle

Made of sturdy fiberglass, this mop handle is made to endure daily use. The spring-loaded clip makes it easy to attach.

- Constructed from easy-to-sanitize fiberglass that can withstand constant use.
- Compatible with Snap-On Dust Mop frames (sold separately).
- Spring-loaded clip allows easy attachment.
- Sliding collar locks on for a secure hold and also allows a full 360° swivel.

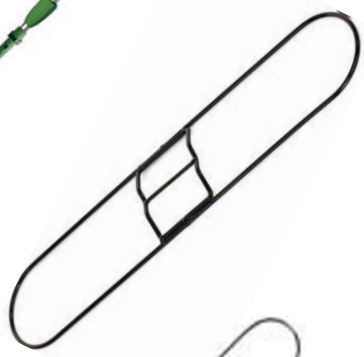

Gray, 60" Item# 173109

Unger® 8' Telescopic Extension Pole

- Allows various cleaning tools to be attached easily
- Easy-locking mechanism secures the pole to your desired length.
- Nylon ergonomic grip and collars make it lightweight, durable and easy to use.

Green, 96" L Max Item# 544592

- Thin edge for optimum dirt pick up
- Suitable for indoor and outdoor use

Black, 12 inch, 24/CS Item# 9100438

3M™ Easy Trap Duster Sweep And Dust Sheets

3M™ Easy Trap Duster - sweep & dust sheets reduce the risk of bad impressions by trapping up to 8X more dirt, dust and sand than when using traditional dust mops or a competitive sweeping dust cloth brand. Convenient disposable sheets mean no laundering. Clean the biffy in a jiffy as it glides through and traps debris, especially hair. Use under any flat floor tool or high duster. Take as little or as much as needed - comes in rolls perforated every 6". Use both sides. Expect minimum training and maximum results in vetrinarian clinics, hair salons, hospitals, gymns, schools - nearly anywhere.

0.9 mil, 13 Gallon, 27.375" x 24", White, Box Of 120 Item# 978869

Highmark™ Trash Bags

The food service industry relies on Highmark's thick, temperature-resistant trash bags. A massive 3 times stronger than most polyethylene liners of the same thickness, these bags keep nasty smells and leaks contained while holding up against tears and punctures.

- High-density material ideal for heavy or wet refuse, making them great for use in food preparation.
- Providing an odor and moisture barrier, these bags keep everything inside.
- Unbeatable tensile strength and high dart impact resists rips, even at maximum capacity.
- Resisting high and low temperatures, from -40°F to +212°F (boiling point), these refuse bags are ideal for kitchen use or for heavy duty trash disposal during extreme weather.
- Translucent bags provide an inside view of your refuse, encouraging recycling and discouraging theft.

Draw 'n Tie® 0.6-mil Handi Bag Waste Liners

Line office and restroom trash bins with these Webster Handi Bag bin liners. Super-hexine resins deliver reliable puncture resistance for confident use, while the flat seal on the bottom reduces the risk of leaks. The smaller size is ideal for use in small desk bins or trash receptacles. These Webster Handi Bag bin liners come in a convenient package for easy stocking.

- Super-hexine resin construction resists punctures.
- Flat-sealed bottom eliminates the chance of leaks.
- Flap-tie closure for reliable concealment and easy lifting.
- 8-gal Webster Handi Bag liner is ideal for small bins.

8 Gallons, 21-1/2" x 24", White, Box Of 130 Item# 870224

Glad® ForceFlex Tall Kitchen Drawstring Trash Bags

Equip your kitchen or office with the strong Glad OdorShield Trash Bags. These 13-gallon bags are reinforced to resist rips or tears, while the OdorShield technology helps trap, lock, and neutralize odors as the Febreeze with Gain Original Clean scent freshens the air.

- Unique design helps prevent rips and tears.
- Reinforced design is built to handle heavy loads.
- Pull the drawstring to close and secure garbage when the bag is full.
- FORCEFLEX TECHNOLOGY: Glad's patented dual-layer protection is designed to give extra flex as it expands around sharp edges and heavy loads while resisting punctures, rips and tears
- RIPGUARD® AND LEAKGUARD® PROTECTION: Designed with double side seals and a reinforced bottom to uniquely trap liquids and prevent leaks, and is strong enough to handle the heaviest load
- GRIPS-THE-CAN DRAWSTRING: The durable 3-ply drawstring design grips the can so the bag stays in place, and makes it easy to close and easy to carry out the trash, with no fear of leaks or tears

White, 13 Gallon, Gain Original scent with Febreze Freshness, 110 Count Item# 4850474

Heritage High-Density Can Liners

Securely collect waste in your facility with Heritage High-Density Can Liners. Each liner boasts high puncture resistant and a star bottom to reduce leakage.

- Made from HDPE resin for high-quality film strength and puncture resistance.
- Holds up to 10 gallons for less frequent emptying.
- Star bottom helps prevent liquid leakage.
- Ideal for smooth items that typically do not puncture.
- Coreless roll flatpacks offer 1-at-a-time dispensing.

ABOUT OUR PRICES AND OFFERS

"ODP," "We," and "Our" mean ODP Business Solutions, LLC, a Delaware limited liability company, including its subsidiaries, parent companies or affiliates. "Customer," "You," or "Your" means the party purchasing from ODP any goods or services through ODPBusiness.com, telephone, fax, catalog, mail, or hand-delivery. With respect to pricing, ODP's cost of goods is calculated without deduction or otherwise giving effect to program, purchase incentives, rebates and other benefits potentially provided to ODP, and may include an additional allocation for certain costs and expenses incurred by ODP in connection with such products. ODP reserves the right to impose margin-based pricing to ensure minimum profitability thresholds. ODP updates pricing and product and service assortments on a regular basis as a result of a variety of factors, including, but not limited to, market and competitive forces, and reserves the right to change Customer's pricing and product assortment at any time without notice. ODP also reserves the right to substitute private-brand or other equivalent products as part of Your order. List prices are provided by product manufacturers, distributors or determined based upon comparable products. List prices shown are as of the date of publication and are subject to change. Your purchase price may vary. For online orders, Your pricing will be shown in the pop-up window when You click on a product and in Your shopping cart when You checkout. ODP shall have the right to withhold the sale and/or delivery of any products or services in its sole discretion, including, but not limited to, for reasons arising from industry constraints and/or market conditions. If tariffs or other similar charges are levied on products being purchased by You, then ODP may impose a surcharge or other fee for such products. ODP reserves the right to limit quantities sold to each Customer, including the right to refuse sales to resellers. We are not responsible for errors and reserve the right to correct prices or errors. We reserve the right to cancel or limit any purchase or offer redemption made 1) contrary to the terms of each offer, discount, promotion, or coupon; 2) that otherwise is not in compliance with Our Terms of Use; 3) that violates any applicable state and federal law; or 4) that We believe is fraudulent or made through improper channels. For compliance with select state laws and for financial reporting purposes, all sales shipped to California, Ohio and Texas Customers are made by eDepot, LLC, an affiliate of ODP, and are F.O.B. destination point.

DELIVERY

Place a qualifying order of $65 or more, and if You're in one of Our many local delivery areas, Your delivery will be FREE. Minimum purchase is calculated after discounts and before taxes are applied. Certain exceptions may apply. Most furniture and oversized items, special orders, custom printing orders, bulk items, cases of bottled water and other beverages, and certain technology items are excluded. Additional fees may apply for orders outside Our local delivery areas, including areas outside of the continental United States. Delivery fees, if any, will be noted at checkout prior to purchase. Delivery fees are non-refundable if the order or part of the order is returned unless the product is damaged or defective. Delivery fees are subject to change without notice. Many items are available for next business-day delivery. We will notify You of Your estimated delivery date when You place Your order (subject to credit approval and product availability). Deliveries are made between 8 a.m. and 5 p.m., Monday through Friday. Residential deliveries are made until 7 p.m., Monday through Friday. Delivery times outside of the continental United States may vary based upon the delivery address. Call 1-888-263-3423 for delivery information to determine local delivery areas. Special orders not available in Alaska or Hawaii. If any delivery is prevented or delayed by any act or condition beyond Our reasonable control, ODP shall give prompt notice to buyer of such condition and shall make all reasonable efforts to ensure delivery is made as soon thereafter as possible. Based on inventory location, items may arrive in more than one shipment and will be shown as separate charges on Your credit card statement. ODP reserves the right to determine the delivery method used to fulfill Your order. Expedited Delivery Service is available for an additional fee on certain technology items, and certain technology items may require additional time in transit. Expedited Delivery fees will be noted at checkout. Certain custom printing orders may require additional time in transit. Free standard delivery for such custom items is 7-9 business days. "Priority Shipping", delivered in 5-6 business days, and "Rush Shipping", delivered in 3-4 business days, are available for additional cost. Fees will be noted at checkout. ODP's delivery rates and policy are subject to change without notice. Any orders subject to customer workflow processes will be released for fulfillment if such orders are not canceled within ten (10) days of the initial placement date. Please call customer service or Your account representative for additional details.

Furniture Delivery Rates and Policies (Excluding Special Orders)

Delivery Service on orders of furniture and oversized items is based on the product dimensions, weight and delivery zip code of the order. Most items are delivered to Your door. For some orders, We provide Enhanced Delivery Service, which includes delivery by a 1 or 2-person team, placement in Your office or residence and removal of packaging (upon request). Enhanced Delivery Service is not available in all areas, and You will be notified at checkout if Your order qualifies for Enhanced Delivery Service. Most orders should be received within 7 business days of placing the order, but some orders may qualify for next business-day delivery. The anticipated delivery date will be noted on Your order confirmation. If Your order does not qualify for next business-day delivery, You will receive a call one (1) business day prior to the delivery date on Your order confirmation advising You of Your delivery window. At that time, You can request a new delivery date to fit Your schedule, including Saturday.

Furniture Delivery Fees

Due to location and shipping distances, delivery fees may vary and will be noted at checkout. Delivery fees are subject to change without notice.

Special Order Delivery Rates and Policies (Manufacturer Direct)

Certain ODP items will be shipped directly from carefully selected vendors and manufacturers. These special order (manufacturer direct) items are shipped via standard delivery and are delivered to a ground floor location in the manufacturer's shipping carton. Your delivery date and delivery fee will be calculated at checkout. Premium delivery is available for select Bush furniture items for an additional fee. Premium delivery provides shipping directly from Bush and includes full assembly and installation within 10 business days of placing the order (for local delivery areas) and within 21 business days (for remote locations). Contact the Furniture Help-Line at 877-543-0944 for details. Premium delivery service is also available for security and fire safe files for an additional fee and must be arranged at 888.2.OFFICE at the time of purchase. This service includes delivery, unpacking, setup and removal of debris. (Deliveries requiring multiple flights of stairs may require additional charges and should be noted when placing the order). The details of these deliveries are determined by the policies and practices of the associated vendors and manufacturers.

Large Technology Items. Freight Delivery: Standard Delivery Service is available for large technology items (greater than 70 lbs.). In most instances, there is no fee for Standard Delivery. These items are delivered by freight trucks that are approximately 56 inches above the ground. These trucks are designed to load and unload items at a loading dock. Most items require a fork-lift. Liftgate Delivery Service is available at an additional fee. What is liftgate service? A liftgate is a device used to lower items from the tractor trailer level to the ground. It is ideal for deliveries to residential areas or commercial areas that do not have a loading dock. How do I determine if I need liftgate delivery? If Your delivery location does not have a loading dock and/or a forklift to remove heavy items from the truck, You need a liftgate. If Your delivery location has a loading dock, but the items in Your shipment are too heavy for You to remove from the truck, and You do not have a forklift, You need a liftgate. If there is not a carrier terminal in Your area and/or You cannot drive to the closest carrier terminal to pick up the freight from the carrier, You need a liftgate. If You need liftgate service, You should select the "Freight with Liftgate" option at checkout. Liftgate delivery fees are based on the carrier, delivery location and delivery service You request. Fees will be noted at checkout. If You do not select Freight Delivery at checkout but You require liftgate service, Your delivery may be delayed and additional charges will apply.

Furniture Assembly

ODP offers assembly services for an additional fee upon request. Assembly service can be arranged for all items requiring assembly by calling Our assembly partners at 1-800-978-2669. This service is usually performed within 2-3 business days after the merchandise is delivered. Additional assembly services are available from ODP upon request. Please contact Your account manager for additional information regarding this service.

REFUNDS AND EXCHANGES

Your complete satisfaction is Our primary concern. At ODP, We want to be sure that every purchase is the right one for You. If You are dissatisfied with Your purchase for any reason, You may return most items in their original packaging within 30 days of purchase for a replacement or full refund. **Exceptions:** Furniture, Computers and Business Machines with accessories in original packaging can be returned within 14 days after purchase for a full refund. Opened Computers, Business Machines and Software (with accessories and original packaging) can be exchanged for the same item within 14 days of purchase. Cleaning, Sanitation, Breakroom, Safety (including COVID test kits, personal protective equipment, masks, face coverings, face shields, gloves, goggles, gowns, thermometers), Facility, and other related products and supplies cannot be returned. Special Order Products may not be returned or exchanged. This includes items that are not stocked in one of Our warehouses and/or are indicated as SPECIAL ORDER.

ODP reserves the right to modify or cancel the terms and conditions of these policies at any time and at its sole discretion without prior notice.
Any modification will be effective immediately upon posting of the modified Terms and Conditions on odpbusiness.com.
