

Dear Valued Customer,

As you may be aware, recent government tariffs have affected the costs of a wide array of goods throughout the marketplace. As a consequence of these governmental tariffs, Office Depot will implement import surcharges on impacted core list items. Region 4 ESC has reviewed and approved the Import Surcharge; approval documentation is posed on the OMNIA Partners, Public Sector webpage. The Import surcharge will become effective on October 20, 2019. You will see the relevant import surcharge at the SKU level while in cart, checkout and on order confirmation and order history.

At Office Depot, we value your business. We are committed to bringing you the best products, innovation, service and value in the marketplace. This import surcharge will allow us to continue to deliver on this commitment now and into the future.
