

Office DEPOT® OfficeMax®

Office Depot/OfficeMax and Bayer

Welcome to Office Depot/OfficeMax!

Office Depot is the Bayer U.S. approved supplier for all general Office Supplies, Toner, Paper, Jabra Headsets, Break Room products, and Copy & Print.

Office Depot/OfficeMax proudly partners globally with Bayer in nearly 30 worldwide countries. The goal of Bayer and Office Depot is to make highly-automated purchasing of Office Supplies as quick, efficient, and simple as possible.

Merely access the Bayer corporate **Office Depot Business Site** <https://business.officedepot.com> (not the Office Depot general website) and you will obtain the following:

- Product information
- Discount Pricing
- Free, Prompt Delivery
- Customer Service Support
- Easy Returns

Once your Bayer login credentials are established, you will also have access to view Office Depot training through online tutorials (click on the link on the Home Page of the Office Depot website).

In all, Bayer U.S. has over 3,000 core items which offers the deepest discounts. These items on the site are listed on the website as “Best Value” Items. Look for the Best Value icon to assure and receive Bayer’s best price on leveraged products.

BEST VALUE

All in-stock orders are delivered at No Charge next day for Bayer U.S. locations. ***For sustainability purposes, Bayer strongly promotes consolidated minimum order values of \$50 whenever possible.***

For Printing needs or Emergency In-Store purchases:

Note that you are also able to utilize your PCard or T&E corporate cards at any Office Depot/OfficeMax store. Please identify yourself as a business customer of Office Depot. All Bayer cards are pre-registered to ensure discounts. Present your card at the point of sales to receive Bayer discounts from final costs.

We look forward to working together.
