CUSTOM COLORS

Match your existing office pieces seamlessly and easily with color matching powder paint.

WorkPro® premium quality commercial laterals and credenzas are now available to order in over fifty current industry standard colors. Additional colors can be matched upon request. Each color selection is broken down into three tiers and new colors will be added on an on-going basis. 10 piece minimum order, per color, with 3-4 week lead time from receipt and acknowledgment of order.

Contact your Account Manager who will work with our Workspace Interiors by Office Depot Furniture Specialist to help determine the perfect match for your office.

DESK LAMPS

Illuminate your work space for efficiency with LED desk lamps.

The 5 brightness and color-temperature levels provide versatility, while the touch control panel has built-in memory for making adjustments quickly. This eco-conscious WorkPro® LED desk lamp features an adjustable design for simple lowering and raising, and the included wireless charger and a USB port let you power secondary devices easily..

SPECIFICATIONS

- 2.4-amp USB port and Qi Certified Wireless Charger on lamp base to conveniently power mobile devices
- Adjustable arm, head and base for a wide range of illumination
- 5 color temperature and 6 brightness levels
- Timer function for lamp and built-in night light
- Built-in 600 lumen LED lighting can last up to 50,000 hours
- Touch controls with memory function
- Gray lamp base
- Energy efficient — designed to use less energy than alternative products, potentially helping you save money and reduce your carbon footprint

DRY ERASE BOARDS

Communicate clearly. Again and again.

Set up our dry erase boards in your space to host meetings, teach lessons, or brainstorm ideas. The tempered-glass surface is easy to write on with the included dry-erase marker, and it can be wiped clean with the aluminum eraser. Using a cinema magnetic-glass board is a great choice for large work spaces.
