What type of Brewer Unit? (Circle Each): **K1500** **K2500** **K3500**

Where is the specific location of the installation within the building breakroom (s)? For example, First floor, Lobby, Executive Office, etc.

Are we replacing an existing coffee brewer? If yes, does it require disconnection?

Approximately how far away (in feet) is the nearest water source from where the coffee brewer will be installed?

Are there upper cabinets? If so, what is the approximate counter to upper cabinet height?

Please Note – Installers will not run water lines through ceilings or walls or drill through stone countertops. If backflow preventers are required by county code – Client is responsible for such installation.

Please scan/email form and send to Bill Reiner – william.reiner@odpbusiness.com to complete order.
