Seating: Fabric

Mallorca series

Designed for customers who desire an extra measure of comfort and support. Mallorca features thickly padded seat upholstery and a pronounced built-in lumbar support for the lower back. It promotes good posture and ensures user satisfaction. The contoured seat and waterfall seat edge alleviates pressure at the back of the knees and contributes to good blood flow. An individual can now sit for long periods of time without discomfort. Multi-Tilter, Tilter and Heavy Duty models are available in both high and low back styles.

Multi-Tilter

Malaga series

Malaga features a multi-curved backrest. A deeply sculpted molded foam seat provides extra comfort and a waterfall seat edge helps to relieve pressure from the legs. Standard arms are height adjustable and include oversized, urethane, teardrop shaped armrests. Adjustable seat depth mechanism is standard.
