

Let's build a better breakroom together

We make it easy to create a custom breakroom.

Select! Our Breakroom experts will help you select the right equipment for your department. They will also guide you with selecting the products and services that work best for your organization.

Simplify! A consolidated source for equipment and breakroom supplies make it simple to manage and service.

Save! We make it easy to save with low upfront equipment costs and customized pricing.

Customized beverage solutions for any department.

Let Office Depot help you build your Better Breakroom with full service beverage brewers or water solutions.

- Brewers to fit every department.
- Single-serve and traditional brewers available in both pour over and plumbed models.
- Hundreds of single-serve or fractional pack beverage selections.
- Professional installation, service, maintenance and warranty support on all equipment.

Sustainable water solution choices.

- Choose a 5-Gallon Water Delivery Service for convenient refreshing water, when you need it, where you need it, and professionally delivered.
- Filtered Water Solutions come in a variety of Point of Use dispenser options, including floor standing or free-standing countertop models.
- State-of-the-art filtration and enhanced sanitation provide delicious and safe drinking water for customers and employees.
- Professional installation, service and maintenance available on all equipment.
- Water Bottles also available for purchase.
