General Stores Environmental Initiatives

To support Penn State's commitment to environmentally responsible business practices, we encourage customers to consolidate orders to reduce the use of boxes and packaging materials. It also helps improve efficiency and save money.

General Stores offer a wide array of environmentally conscious office products, janitorial products, and compostable break room supplies (all-purpose cleaners, hand towels, toilet paper, copier paper, lamps, and more). Our catalog is online at *simba.psu.edu* (Shop OnLion, Shop, Lion Marketplace, General Stores) or see "Catalog Request" below to order a paperback catalog.

To recycle empty toner cartridges, submit an online form at *generalstores.psu.edu/sustainable-products*. We will schedule a pick-up, free of charge.

Catalog request Order online at *generalstores.psu.edu*

Easy ordering Look for the Penn State General Stores mark on SIMBA, and orders can be placed 24/7.

Product availability Don't see what you need? Give us a call—we'll do our best to get it for you.

Discount prices Penn State receives discounts on every item ODP Business Solutions® offers—up to 75 percent off manufacturers' suggested list prices. On SIMBA, click on the Penn State General Stores mark and enter the item into your shopping cart—you'll see your discounted price.

Payment methods In SIMBA, all your General Stores purchases will be charged to your departmental budget. (P-cards are not accepted as a method of payment.)

Free delivery Most in-stock items in the Janitorial and Break Room Solutions section and office supplies section ordered before 3:30 p.m. are delivered the next scheduled delivery day (Monday through Friday).

- Commonwealth Campuses - may be subject to shipping charges. Please consolidate your orders to avoid possible shipping charges.

Warranty information Many items listed in the catalog provide manufacturer warranty terms. For warranty information on a product ordered through General Stores, call 814-865-6777.

Cylinder gas ordering Orders are placed daily at 2:30 p.m. with the gas vendor. To order, visit *generalstores.psu.edu/cylinder-gas*.

Return policy/procedures Please inspect your items carefully when you receive your order. If there's something wrong with your order, please report the problem to General Stores within 30 days of purchase. All orders are considered final after 30 days.

- Complete and submit a return form at *generalstores.psu.edu*. You will receive a copy of the return form via email.
- You can receive full credit for your return if you request it within 30 days of purchase, except for technology products and furniture, which must be returned within 15 days. All items must be returned in their original packaging.
- If an item is defective, we'll issue full credit or reprocess your order. We reserve the right to pick up defective items and return them to our warehouse to be credited by our supplier.
- Special order items may not be returned unless they are defective.
- Some products, such as food items, seasonal merchandise such as calendars, matting, and opened toner cartridges, may not be returnable.
- All other returns will be credited only if items are in new condition and in original factory packaging for resale.
- Credits will appear on your next General Ledger statement, which will be processed by your department's business office.

Budget and fund change If you must change the accounting information on your order, you will need to submit a PO change form. Please see *http://guru.psu.edu/forms/purchase-order-change-form-SIMBA* for more information.

Furniture and furniture assembly General Stores and ODP Business Solutions® offer a wide selection of furniture. ODP Business Solutions® Workspace Interiors design team can help you with your furniture needs. General Stores and ODP Business Solutions® provide professional furniture assembly and installation services for your office at an additional charge. Give us a call to schedule a visit with a furniture representative.

Special orders You can place a special order, including customized rubber stamps, signs, and name and wall plates, at *generalstores.psu.edu*.

Large orders Orders over $5,000 must be approved by the department's financial officer before the order is placed.

Help with online orders The SIMBA website offers training sessions and frequently asked questions.

For help with ordering, please follow these steps:

- Review simulations and hands-on guides located on the SIMBA website.
- Contact your department SIMBA super user. To find your super user, please contact your financial officer.
- Contact *simba@psu.edu* for further assistance with Shop OnLion technical issues.

Employee personal purchase program

You can purchase office supplies for home use at Penn State discounted pricing. Go to *generalstores.psu.edu* and click the Personal Purchase Discount Quick Link.

odp BUSINESS SOLUTIONS® SUSTAINABILITY

Office Depot® Business Solutions Division is now ODP Business Solutions®

We have a new name and a renewed focus to help you redefine your work, so your institution can help drive success for your students. As an established market leader with 30 years of experience in the higher education space, we provide comprehensive solutions, services, and support for every institution.

Greener solutions and services

From the rising costs of fuel and products to labor shortages to increased shipping times, we understand the challenges many institutions face today. That's why we offer the following services and solutions to help your campuses address their sustainability objectives and succeed.

GreenerOffice™ Delivery Service

This is a free program for eligible delivery orders. Items are transported in a reusable plastic tote and left in a sealed paper bag.* These paper bags contain a minimum of 40% post-consumer recycled content and can generally be reused or recycled more easily than boxes.

*Bags are recyclable where facilities exist.

Waste management

Consider switching from single-use plastics such as water bottles and investing in a water filtration system or enrolling in our 5-Gallon Water Delivery Program.

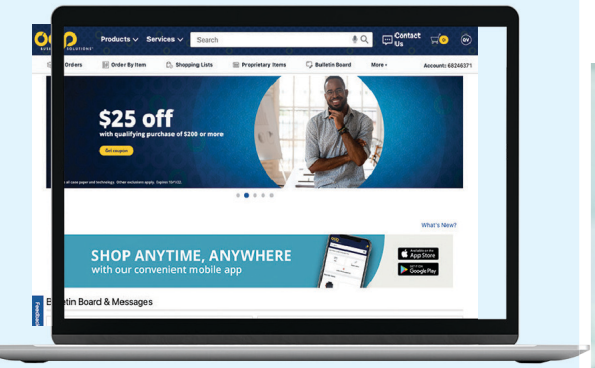

Consolidate your orders for a world of good

Help decrease packaging materials, delivery trips, and costs for your institution. We can also hold orders until shipping a larger order is possible — resulting in less packing materials.

Track your sustainability progress

Our website portal can help you identify, evaluate, and purchase greener products. Use our Green Business Review for real-time visibility into green purchasing spend.

Ink, toner, and technology recycling

Help reduce your environmental footprint by recycling ink and toner cartridges and filling our recycling boxes with your old technology items to help keep them out of landfills.

Eco-conscious products

Our GreenerOffice™ assortment includes thousands of high-quality, eco-conscious products with eco-attributes and eco-labels to help you reduce your environmental impact.

ODP Business Solutions is committed to social responsibility

Let us help you make a plan that aligns with your institution's diversity and sustainability goals. We can connect you with entire networks of diverse suppliers that will work directly with you to help you achieve your diversity, equity, and inclusion objectives.

Our continued commitment

We've created icons for our greener product assortment to showcase attributes important to our customers and us. In addition, we seek to promote safer chemical management through transparency about chemicals in the products we sell, reducing or eliminating chemicals of concern and advancing safer alternative formulations in the products we sell.

ODP BUSINESS SOLUTIONS®
WORKSPACE INTERIORS

Modern campus environments

The world of education is evolving. With years of experience in the higher education market — plus relationships with some of the best furniture manufacturers in the industry — ODP Business Solutions® Workspace Interiors provides space planning, fabric and finish, ergonomic evaluations, and furniture installation that can help you create campus environments that evolve with modern learning trends and empower student success.

Learning environments

Lecture-based learning environments are in transition as curriculum and teaching methodologies continue to change in colleges and universities across the nation. Our innovative, accessible, and flexible furnishings can accommodate a mix of independent, small-group, and whole-class learning, so your institution can stay on the leading edge.

Student common areas

From modular seating to mobile tables, furniture can encourage students to collaborate and relax in your common areas. Help students stay connected by equipping the environment with tech-friendly options such as charging ports and access to Wi-Fi.

Dining halls

Whether it's comfortable seating, functional tables, or adaptable lighting, your institution can tap into a variety of furniture solutions that can help create a welcoming environment for students, faculty, and visitors as they refresh, refuel, and recharge.

Classrooms and lecture halls

Whether you're refreshing a series of campus classrooms or designing a large lecture hall, you can create learning environments that help fuel creativity, communication, and success for your students and professors alike.

Administrative and welcome areas

Conveying campus pride through comfortable furniture, durable fabrics, and easy-to-maintain surfaces can make a positive first impression in your lobbies and reception areas while also helping you maintain a cleaner environment in high-traffic areas.

TURN YOUR GREENER OPTIONS ON
with Green Select Cart

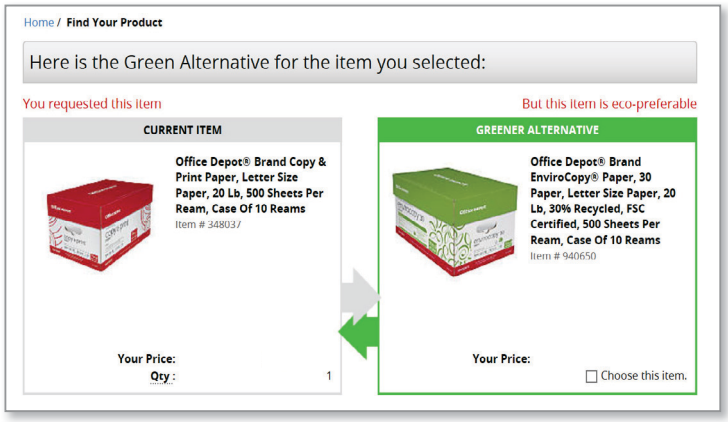

When it comes to purchasing products for your business, going green may not always be top of mind and products may not always be so simple to find.

Green Select Cart puts eco-conscious choices at your fingertips and will make a world of difference when it comes to shopping. We like to think of it as a little nudge should you want to go in a greener direction to meet your business goals.

How it works:

1. Shop at simba.psu.edu the way you always do
2. If a greener option is available for an item placed in your cart, it will pop up and you will have the choice to purchase that product instead

Shop today to get started.

Why use the **PSU prefix** for catalog orders?

- ✓ **Same- or next-business day delivery for 1,200 items**
- ✓ **Competitive pricing**

HOW TO USE THE **PSU PREFIX**:

1. Login **simba.psu.edu** and select the **Lion Marketplace General Stores Catalog**
2. Use the prefix **"PSU"** in the search bar to find proprietary items such as PSU copy paper, PSU batteries, PSU gloves, and PSU liners
