SPECIAL ORDERS

Please contact your Program Administrator for products not found in our comprehensive catalog or online. Special order items are often delivered directly from the manufacturer. Because of this, a minimum of 3 business days is required for special order delivery.

RETURN POLICY

If you are dissatisfied with your purchase for any reason, you may return most items in their original packaging within 30 days of purchase for a replacement or full refund. You can place a return online as outlined below in this guide or through Customer Service by calling 888.777.4044. Please be sure and have your order number ready.

Special Order Products may not be returned or exchanged unless damaged or defective upon arrival. This includes items that are not stocked in one of our warehouses and/or are indicated as SPECIAL ORDER.

BACKORDERS

All catalog items are in-stock, diminishing the chance of backorders. In-stock backorders are automatically filled within one (1) to three (3) working days from automatic replenishment of inventory and a re-order is not necessary. Your packing slip will identify backordered items. The Internet ordering system actually notifies you immediately of any possible low-stock condition. Customer service can update you on the status of a backorder at any time or you may track your order online using the Order Tracking function under the My Account menu.
