Frequently Asked Questions

Q *We just received our order and I thought I ordered 12 pens, but instead received 12 boxes of them. What do I do?*

A Our product return policy and procedures are designed to help our customers make returns and exchanges quickly and efficiently. Please refer to our website for our complete Return Policy and for instructions on how to process such requests. Our return process is also covered in this User Guide.

Q *My order usually arrives around 2:00 PM which is usually not a problem. However, I need this particular order first thing in the morning because I am working on a special project. Is there anything I can do to expedite delivery?*

A Order deliveries are usually routed on a truck early in the morning and Delivery Service Representatives usually follow the same route every day. This is why your orders are usually received at roughly the same time each day. Unfortunately, due to a variety of factors, we are unable to change these routes to accommodate individual customer requests.

Q *When I’m placing an order, occasionally I see the letters ‘MWDVE’ next to the item. What does this mean?*

A ‘MWDVE’ indicates items that are manufactured or distributed by companies owned by Minorities, Women, or Disabled Veterans (the “E” stands for Enterprises).

Q *I have forgotten my password for ordering on the Office Depot website. What should I do?*

A Simply go to our website (business.officedepot.com) and click on the “Forgot your login name/password?” link. You will be prompted to enter your login name and respond to your pre-determined security question. You will then be asked to update your profile with a new password. If you do not remember your login name, call our HELP DESK at 1-800-269-6888 any time between the hours of 7:00 AM - 9:00 PM Eastern Standard Time and they will be glad to help you. Have your account number ready when you call.
