Frequently Asked Questions:

I have forgotten my password for ordering on the Office DEPOT|Max website. What should I do?

Simply go to our website (business.officedepot.com) and click on the 'Forgot your login name/password?' link. You will be prompted to enter your login name and respond to your pre-determined security question. You will then be asked to update your profile with a new password. If you do not remember your login name, call our HELP DESK at 1-800-269-6888 any time between the hours of 7:00 AM - 9:00 PM Eastern Standard Time and they will be glad to help you. Have your account number ready when you call (Your Account # 90756147).

Help, I'm on the Office DEPOT|Max website and forgot how to create a Custom Shopping List. What do I do?

Click on 'My Shopping Lists': You can create a new list there or open the "How to use and create lists" guide. This will guide you through each of our online tools step-by-step.

We just received our order and I thought I ordered 12 pens, but instead received 12 boxes of them. What do I do?

Our product return policy and procedures are designed to help our customers make returns and exchanges quickly and efficiently. You can place your return online. Simply go to the Order Tracking and History feature under 'My Account', select Order Tracking and History, locate your order, click on the order then go to the bottom right hand corner of the page and select Begin Return. You may also refer to our website for our complete Return Policy and for instructions on how to process such requests.

I need additional copies of the catalog for my office. How do I request them?

Many offices like to keep several catalogs on hand so that they can be used by several different people. Our catalogs are offered to our customers free of charge. You can request a catalog with your next online or phone order. Simply add Sku # **286076** to your cart when you place your next order.

I've looked all through the catalog and can't find the item I really need. Does this mean Office Depot doesn't have it?

Not at all. Office DEPOT|Max offers over 15,000 items but we also have access to a large assortment of additional products that are made available through various third-party sources. Please call your field account representative or customer service representative for assistance in ordering the product you need.

It's early in the morning and I just realized that I need to add something to an existing order. My order usually arrives around noon. Can I call to add this item to today's order?

Our orders are packaged at night so that delivery trucks can be loaded early in the morning before embarking on their routes. Our delivery trucks usually leave our distribution centers well before 8:00 AM, so unfortunately it would not be possible to update this existing order. We instead encourage you to use the Office Depot Store Purchasing Card or contact your field account representative to place an order for pick-up at a local retail store near you. Please contact your field account representative and/or ask how to link your p-card to access discounts in our stores.
