

National Baptist Dream Makers Scholarship Fund

The Purpose

The National Baptist Convention, Congress of Christian Education and the Youth Department has a great desire for each youth to carry the hope that they can serve God near and far and matriculate in higher education. With a deep commitment to the youth of the National Baptist Convention, Congress of Christian Education and the Youth Department, the Dream Makers Scholarship Fund was envisioned and developed. This special program was created to provide collegiate and missionary opportunities to our youth. We will provide 4-year grants and sponsor youth mission trips to Haiti and other countries from the Dream Makers Scholarship Fund.
