Post-it® Self-Stick Whiteboard Sheets

Self-adhesive sheet, with a thick edge to help protect walls, unrolls to stick almost anywhere and removes easily and cleanly. Reusable, premium dry erase surface wipes clean every time.

Post-it® Easel Products

Pages stick without damage to most walls. Pages can be flipped or removed for posting. Pads attach to most easel stands and the paper resists ink bleed-through. Available with lines or grids, too.

Post-it® Meeting Notes

Large, bright-colored, self-stick notes great for brainstorming, planning, note taking and temporary signage. Organize or post information on vertical and hard-to-stick-to surfaces. Available in two sizes.
