

WHO ARE WE?

A unique combination of state of the art manufacturing technology together with traditional hand finished expertise, allows us to create beautifully finished and detailed furniture collections. As a true manufacturer, we control every part of the process, from beginning to end. We design, we weld, we paint, we mold, we cut, we sew, we stock and we ship worldwide.

SENATOR Allermuir

The Senator Group

SENATOR

With every Senator design comes a great deal of thought. The design process begins way before pencil reaches paper, beginning with looking at you. We look at how you sit, reach, move and work to create a design which not only looks beautiful, but is a pleasure to use too.

Senator offers task seating, conference seating, multi-purpose seating, tables, desking and storage for large and small corporate office environments.

Allermuir

The Allermuir portfolio is used to create beautiful areas for people to work, meet, greet, dine, relax, play or break away. Allermuir product is equally at home in office, hospitality, hotel or leisure environments.

Allermuir conceives designs, produces and lovingly supplies stunning furniture. Designed with people and the spaces they occupy in mind, we work with some of the most talented European designers to create innovative pieces which are thought provoking, challenging and different, with a contemporary feel.
