NEW!

Everywhere you work!

For **better communication**, anywhere, anytime, try Post-it® Whiteboard Sheets, the latest workplace innovation from 3M.

With a premium dry erase surface, they wipe clean every time when you use a dry erase marker. The self-stick adhesive means you can install a whiteboard where you want; no drills, no mounting hardware needed.

"I can use it on the fabric wall in my cube for tracking schedules."

"I can use it on the window in my office for project planning."

"I can use it on the wall in the break room for announcements."
