Task Light

To order, log into **SmartBuy** and enter SKU #444353

Task Light with USB charging port

Versatile task light focuses the right amount of light just where you need it and offers a smart device slot and USB charging port (at rear of lamp base). Shade bends up to 180 degrees. The lower hinge can bend forward. Light is generated by 8-watt SMD LED module that is irreplaceable. Dimming switch offers three levels of light as well as an on/off function. LED Task Light is made of aluminum and plastic. It includes a DC adapter and a power cord almost 6' long. Lamp is for indoor use only.
