This Employee Purchase Program is a great way to save on things like “Back-To-School” purchase, holidays, home office items or personal projects.

- If you register with a DEBIT card, the transaction at must be entered as a CREDIT purchase or additional discounts will not apply
 - Discounts are automatically taken at check out once your credit card is swiped
 - Repriced items will be the lower of either the discounted price or retail price. This allows you to take advantage of any special that may be running. Discount may not be applied on top of already discounted retail pricing
- Coupons and in-store retail “Rewards Card Programs” cannot be used in conjunction with this program
- Technology items are not included in this program based on heavily discounted pricing already offered at the retail stores
