

DYMO®

Desktop Mailing Solution

*The fast and easy way to get mail out the door!
This all-in-one kit gives you everything you need
to address, weigh and stamp your mail without
leaving your desk.*

INCLUDES:

- **DYMO Stamps™ software**

Allows you to print postage when you need it.

- **DYMO® LabelWriter® Twin Turbo Printer & Software**

Prints postage, address labels and more. The LabelWriter Twin Turbo printer holds two rolls of labels at the same time, so you can print DYMO Stamps™ postage and address labels without having to switch rolls.

- **DYMO 5lb. USB Scale**

Integrated with DYMO Stamps which instantly delivers the mail piece weight and calculates the appropriate mail rate.

- **Starter roll of DYMO Stamps™ and White Address labels.**

Windows Vista™

FEATURING
