There is no faster way to reorder products. To **create a new list**, click the button below. To **edit an existing list**, just click on the list name below. First time users should read our [Shopping List Instructions](#) page to get the most out of this service.

Reminders:

Once a Personal list is created, you can set up handy reminders to be sent to you via email. [Click here](#) for more information.

Create a New List

Start a new list for yourself.

****Please Note:** Please limit your list to a maximum of 200 different items. Exceeding this limit will adversely effect the Shopping List's response time.
