

MATERIAL SAFETY DATA SHEET

Section 1 - Material Identification

Material Part Number:	81288	Chemical Name:	na
Material Description:	multi-surface cleaner	Chemical Family:	na
Company Name:	ACCO USA	Chemical Formula:	na
Address	770 S ACCO Plaza	Molecular Weight:	0.00
City:	Wheeling	Synonym:	na
State:	IL	Material Use:	na
Zip Code:	60090	Flammability:	4
Phone Number:	(216) 467-4195	Reactivity:	0
Fax Number:		Health:	2
Emergency Number:	(216) 467-4195	Personal Protection:	0

Section 2 - Hazardous Ingredients

Hazardous Ingredients:	Isopropanol,	Approximate Concentration:	0.00%	CAS,NA,UN Number:	na
Exposure Limits:	na	LD/IC (Species & Route):	na		

Section 3 - Physical Data

Physical State:	liquid	Odor & Appearance:	clear/citrus
Evaporation Rate:	<1	Boiling Point:	-11 7-343 F
Odor Threshold:	na	Freezing Point:	na
Specific Gravity:	.9	Solubility in Water:	soluble
Vapor Pressure:	45	% Volatile:	na
Vapor Density:	4.0	Coefficient of Water/Oil Distribution:	na
		Density:	na
		PH:	na

Section 4 - Fire and Explosion Hazard

Flammable:	yes	Flashpoint & Method:	-160 F
Means of Extinction:	use water fog, dry chemical or	Sensitivity to Static Discharge:	na
Special Procedures:	aerosol cans may rupture when	Rate of Burning:	na
TDG Flammability/Classification:	na	Upper Explosion Limit (% by Volume):	8.5
Explosion Data:	heated cans may burst	Lower Explosion Limit (% by Volume):	1.9
Auto Ignition Temperature:	na	Material Part Number:	81288a
Hazardous Combustion Products:	heated cans may burst		

Section 5 - Reactivity Data

Chemical Stability:	stable
Incompatibility to Other Substances:	strong oxidizers, aluminum, ethylene oxide, isocya
Reactivity and Under what Conditions:	na
Hazardous Decomposition Products:	will decompose to carbon diox., water

MATERIAL SAFETY DATA SHEET

Section 6 - Toxicological Properties of Product

Route of Entry:	inhalation, skin, ingestion		
Effects of Acute Exposure to Product:	may cause dizziness or narcosis in high vapor concentrations. Will cause defatting of skin. Effects are		
Effects of Chronic Exposure to Product:	may cause dizziness or	LD of Product (Species & Route):	na
: Synergistic Materials:	na	LC of product (Species & Route):	na
Exposure Limits:	na	Sensitization:	na
Irritancy:	na	Effects:	corneal injury, blood abnormalities,
		Explanation of Effects:	heart disease, respiratory disorders

Section 7 - Preventative Measures

Personal Protective Equipment:	eye, gloves, full clothing, local exhaust		
Gloves:	not required when spraying	Footwear:	na
Respiratory:	local exhaust	Clothing:	full
Eyes:	goggles	Other:	do not smoke while using Wash hands
Engineering Controls:	na		
Leak & Spill Procedure:	use absorbent sweeping compound. Put in container. Dispose as hazardous waste		
Waste Disposal:	dispose as hazardous waste in accordance with EPA RCRA		
Handling Procedures & Equipment:	keep away from heat, store below 120 F		
Storage Requirements:	below 120 F in a container		
Special Shipping Information:	na		

Section 8 - First Aid Measures

Skin:	wash with water
Eye:	wash with water
Inhalation:	give oxygen
Ingestion:	do not induce vomiting
General Advice:	get medical attention

Section 9 - Preparation of MSDS

Additional Information/Comments:	na
Sources Used:	na
Prepared By:	na
Phone Number:	
Original Release Date:	
Revision Date:
