

Sanford NA  
2711 Washington Boulevard  
Bellwood, IL 60104  
Phone: 708-547-6650 or 800-323-0749

Emergency Medical Number: 888-786-0972  
  
Creation Date: October 20, 2003

**Section One: Product Information**

Product Name: Paper Mate Liquid Paper Smooth Coverage Correction Fluid  
  
Colors: Common White

Includes: Liquid Paper Multi Fluid Correction Fluid, (LPCF-19-3)

**Section Two: Composition**

Titanium dioxide (13563-67-7), solvent naphtha (64742-89-8), mineral spirits (64742-89-8), resins, dispersant, colorants, fragrance

**Section Three: Hazards Identification**

If vapors are deliberately inhaled, the following symptoms may occur: respiratory irritation, dizziness, drowsiness, headache, nausea, unconsciousness, convulsions, cardiac sensitization, coma, and death.

**Section Four: First Aid Measures**

Inhalation: This product is considered safe under normal use conditions.  
Skin Contact: Wash with soap and water.  
Eye Contact: Irritation may occur. Wash through with water.  
  
Ingestion: Contact a physician. NOTE TO PHYSICIAN: Contains solvent naphtha and mineral spirits, which may cause chemical pneumonitis.

**Section Five: Fire Fighting Measures**

Flash Point: 27F (Closed Cup)  
Flammability Limits (% by volume): Lower: 1% Upper: 8%  
Extinguishing Media: Dry chemical, foam, carbon dioxide.  
Special Fire Fighting Measures: In fires involving large quantities, use self-contained breathing apparatus. Cool fire-exposed containers with water spray/fog.

Unusual Fire and Explosion Hazards: Product is flammable. May produce hazardous decomposition products.

**Section Six: Accidental Release Measures**

In Case of Spill or Accidental Release: Wipe up with absorbent material.

**Section Seven: Handling and Storage**

Handling: No special handling requirements.  
Storage: In large quantities, store in a well-ventilated area.

**Section Eight: Exposure Controls and Personal Protection**

Eye Protection: None under normal use conditions.  
Clothing: None under normal use conditions.  
Respirator: None under normal use conditions.  
Ventilation: None under normal use conditions.

**Section Nine: Physical and Chemical Properties**

For product unless otherwise specified:

Boiling Point: 209 - 230F  
Specific Gravity: ~1.2  
Vapor Pressure: 124 mm Hg at 100F  
Solubility in Water: Negligible  
Evaporation Rate: 3.6 (butyl acetate = 1)  
Appearance; Odor: White fluid; solvent odor

**Section Ten: Stability and Reactivity**

Stability: Stable  
Conditions to Avoid: Open flames or other ignition sources.  
Chemical Incompatibility: Strong oxidizers  
Hazardous Decomposition: May produce oxides of carbon, nitrogen, and various hydrocarbons in fire.  
Hazardous Polymerization: Will not occur

**Section Eleven: Toxicological Information**

IARC Monographs: No  
National Toxicology Program: No  
OSHA Regulated: No

**Section Twelve: Ecological Information**

Not available

**Section Thirteen: Disposal Considerations**

Dispose in accordance with Federal, State, and Local Regulations.

**Section Fourteen: Transport Information**

ORM-D Consumer Commodity  
Flammable Liquid, n.o.s., (petroleum distillates), Class 3, UN1993, PGII (25.5F CC), Ltd. Qtys, EmS#3-07  
Consumer Commodity, 9, ID8000, packing instruction 910

**Section Fifteen: Regulatory Information**

TSCA INVENTORY: The product on this Material Safety Data Sheet is not listed on the Toxic Substances Control Act Inventory.  
All ingredients used to manufacture this product are listed on the TSCA Inventory

**Section Sixteen: Other Information****HMIS Code**

| Methylcyclohexane (108-87-2), titanium dioxide (13463-67-7), resins, colorants, naphtha (8032-32-4), mustard oil (57-06-7), fragrances |             |

| Section Three:                                                                                                                                                                                                                                                                                                                                             | Hazards Identification |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------|
| Contains: methylcyclohexane. If vapors are deliberately inhaled, the following symptoms may occur: respiratory irritation, dizziness, drowsiness, headache, nausea, unconsciousness, convulsions, cardiac sensitization, coma, and death. Mustard oil added to deter abuse. If ingested, depending on the amount, most symptoms described above may occur. |                        |

| Section Four: | First Aid Measures                                    |
|---------------|-------------------------------------------------------|
| Inhalation:   | Not an inhalation hazard under normal use conditions. |
| Skin Contact: | Wash with soap and water.                             |
| Eye Contact:  | Irritation may occur. Flush with clear, tepid water.  |
| Ingestion:    | Consult a physician.                                  |

| Section Five:                       | Fire Fighting Measures                                                                                                          |
|-------------------------------------|---------------------------------------------------------------------------------------------------------------------------------|
| Flash Point:                        | 22.5F (Closed Cup)                                                                                                              |
| Flammability Limits (% by volume):  | Lower: 1.2% Upper: 6.7%                                                                                                         |
| Extinguishing Media:                | Dry chemical, foam, carbon dioxide                                                                                              |
| Special Fire Fighting Measures:     | In fires involving large quantities, use self-contained breathing apparatus. Cool fire-exposed containers with water fog/spray. |
| Unusual Fire and Explosion Hazards: | Product is flammable. May produce hazardous decomposition products.                                                             |

| Section Six:                                                             | Accidental Release Measures |
|--------------------------------------------------------------------------|-----------------------------|
| In Case of Spill or Accidental Release: Wipe up with absorbent material. |                             |

| Section Seven: | Handling and Storage              |
|----------------|-----------------------------------|
| Handling:      | No special handling requirements. |
| Storage:       | No special storage requirements.  |

**Section Eight: Exposure Controls and Personal Protection**

Eye Protection: None under normal use conditions.  
Clothing: None under normal use conditions.  
Respirator: None under normal use conditions.  
Ventilation: None under normal use conditions.

**Section Nine: Physical and Chemical Properties**

For product unless otherwise specified:

Boiling Point: 212F  
Specific Gravity: 1.16  
Vapor Pressure: 83 mm Hg at 100F  
Solubility in Water: Negligible  
Evaporation Rate: >1  
Appearance; Odor: White fluid; solvent odor

**Section Ten: Stability and Reactivity**

Stability: Stable  
Conditions to Avoid: Open flames or other ignition sources  
Chemical Incompatibility: Strong oxidizers  
Hazardous Decomposition: May produce oxides of carbon, nitrogen, and various hydrocarbons in fire situation.  
Hazardous Polymerization: Will not occur

**Section Eleven: Toxicological Information**

IARC Monographs: No  
National Toxicology Program: No  
OSHA Regulated: No

**Section Twelve: Ecological Information**

Not available

**Section Thirteen: Disposal Considerations**

Dispose in accordance with Federal, State, and Local Regulations.
