

Get your total, customizable managed print solution from one source.

PrintIQTM enterprise includes automatic toner deliveries when levels are low; options to lease high-end printers or get complete repair and maintenance services on your existing printers; plus 24/7 monitoring of your printing environment, periodic assessments and more.

Here's how PrintIQTM enterprise works:

FREE software provided by Office Depot[®] monitors toner levels for all the printers on your network.

Toner is shipped to you automatically when levels are low and will arrive just in time (toner prices apply).

PLUS

– AND / OR –

You have the option to lease new equipment for a flat monthly fee. Repair and maintenance services are included.

You may choose to only get repair and maintenance services for your existing printers.

We'll perform periodic assessments to ensure that your print environment is working at peak efficiency.

We can also take care of your larger print jobs through our Copy & Print DepotTM. Additional fees will apply. See reverse for details.

Partner with us for a single-source, cost-effective solution to cover all your printing needs.
