

Get the toner you need automatically, before you run out.

PrintIQ™ essentials is a FREE service that automatically ships toner when levels are low and includes 24/7 monitoring of your print environment. Your shipment will arrive just in time, eliminating any down time.

Here's how PrintIQ™ essentials works:

FREE software provided by Office Depot® monitors toner levels for all the printers on your network.

Toner is shipped to you automatically when levels are low and will arrive just in time (toner prices apply).

Let's work together to ensure you always have the toner you need, when you need it.

PrintIQ™ essentials benefits:

- No contract needed
- FREE PrintIQ™ Assessment to help us understand your unique printing needs
- All brands of toner available
- Centralized billing
- No need to store excess inventory
- FREE ink & toner cartridge recycling
