

Intelligent solutions to manage your office printing.

PrintIQ™ by Office Depot® is a total managed print services program that can help your business increase productivity and decrease expenses.

Our comprehensive services include:

FREE software provided by Office Depot monitors toner levels for all the printers on your network. Toner is shipped to you automatically when levels are low and will arrive just in time (toner prices apply). Also features 24/7 monitoring of your print environment.

Includes everything from PrintIQ™ essentials, plus the option to lease new high-end printers for a flat monthly fee. Repair and maintenance services are included in your lease agreement. Or you may choose to only get repair and maintenance services for your existing printers.

Includes everything from PrintIQ™ essentials and PrintIQ™ plus. We'll also perform periodic assessments to ensure that your print environment is working at peak efficiency. And we can take care of your larger print jobs through our Copy & Print Depot™, where highly-trained Xerox®-Certified Print Specialists are ready to enhance your printing and document services. Additional fees will apply.
