

Get all your toner, printers, parts and service from one source.

PrintIQ™ plus includes automatic toner deliveries when levels are low, 24/7 monitoring of your print environment, PLUS options to lease award-winning printers from top manufacturers including Lexmark™, Xerox® and HP®, or get complete repair and maintenance services on your existing printers.

Here's how PrintIQ™ plus works:

FREE software provided by Office Depot® monitors toner levels for all the printers on your network.

Toner is shipped to you automatically when levels are low and will arrive just in time (toner prices apply).

PLUS

– AND / OR –

You have the option to lease new equipment for a flat monthly fee. Repair and maintenance services are included.

You may choose to only get repair and maintenance services for your existing printers.

Let's develop a customized plan that will impact your print environment and your bottom line.
